lazy2j Very nice. Can't wait to get back to a place like that soon. We have the best state park system in the country here in SC. Stay safe and thanks for what each of you do.

marynurse1 They are free to not give a crap about Covid 19! ❤️

scstateparks @ryanlgallagher we completely understand your disappointment. The closure was put in place to protect staff, rangers and most importantly our state park visitors. We are soooo looking forward to the day we can reopen the parks for all of us to enjoy! 🍷

joycealicesmith Love this!! I was going to take myself to Poinsett for a nice hike, then the closures happened!
🙄 But I 100% support you, and can't wait till they open again. I need to finish getting all my stamps! 😊

ryanlgallagher @scstateparks yea we can agree to disagree on that something good have been done for pass holders who dont even have to have direct contact at points of entry with any park personnel at all. Unfortunate and wrong decision on your part.

indoor_outdoor_blooms @ryanlgallagher pretty sure it wasn't the park's decision, but if they've chosen to protect people it's worth it.
at 23:40:08 on 4/01/2020 UTC

ryanlgallagher @indoor_outdoor_blooms one of the parks is basically in my neighborhood and its essentially the only safe place to walk around here.. so i will complain about it until it reopens.. but thanks for your input.. its been filed in the proper place 👇 🗃️

scstateparks @ryanlgallagher once again, we understand your disappointment. Until the parks reopen on April 30 we will get through this together as a community and remain optimistic. If you would like to further express your concerns, please feel free to DM us so we can further address your concerns. 🍷
