Hi Danny,

It was truly a pleasure to meet you last night. Thank you for attending our dinner - we enjoyed having you and the Lt. Governor there.

I have included our social media manager (and a fantastic photographer) , Ashley Seager, on this email so she will have your email address to send the photos.

Thank you again. If you or the governor have any questions about The Salvation Army, or would like to visit any of our locations, please get in touch. We would love to show you around!

Warm Regards,

Shelley
