The Honorable Nikki Haley
Office of the Governor

Re: South Carolina – Estonia – Israel Agreements and Programs

Dear Governor Haley:

It was a great pleasure and honor to sit next to you at the Columbia Affairs Council award dinner in your honor last Thursday and to have an opportunity to discuss with you the South Carolina – Estonia - Israel agreements. As I explained, Jonathan Zucker, Chairman of the Israel Agreement, and I have merged the Estonia and Israel agreements into a single South Carolina corporation and we are just beginning to plan on the implementation of these agreements and programs.

I have now spoken to Jonathan Zucker and the best dates when we are available to meet with you are December 19 and 21 – which are best dates for us, or as an alternative, December 12. If they are available, I would like to have President McConnell and Provost Brian McGee of the College of Charleston attend as well. The College will be playing an integral part through the establishment of a Center on the campus to implement the agreements from the South Carolina side. In any event we will be available to discuss all of this with you and your staff in the near future.

Again – congratulations on your nomination as UN Ambassador. And in that capacity, you will have to visit Estonia and learn about this dynamic country first hand.

Best personal regards.

Very truly yours,

Harry Huge
