## 2015 FMS Conference - Call For Presentations!

The NRCPDS is excited to announce that we will be holding the 6th Financial Management Services (FMS) Conference on **November 9-10, 2015** at the Hyatt Regency hotel in Baltimore, MD. It has been 10 years since the first FMS Conference! Registration for the 2015 conference will open in the coming weeks.

This year's conference will offer two learning tracks: Operation & Practice, and Policy & Strategy. We invite proposals for presentations for both tracks.

- The **Operation & Practice** track will cover the foundations of participant direction and FMS. We seek presentations targeted to FMS practitioners on orienting participants and caregivers, working with service coordinators, enrollment and retention, working with managed care entities, effective transfer procedures, budget and authorization management, billing and claiming, tax and labor rules, implementing verification strategies, and other operational matters.
- The **Policy & Strategy** track will target the experienced FMS practitioner, manager, and executive, and will cover national strategies and more technically-oriented topics. This track will include future concerns and opportunities for FMS providers. We encourage proposals for topics around expansion of FMS, responding to RFPs, negotiations with states and managed care entities, compliance strategies, and other related topics.

If you are interested in presenting or serving as part of a panel, **please complete our [online application](#) by 5pm on Friday, June 26, 2015**. Any questions about our upcoming FMS Conference? Please e-mail [conference@nrcpds.org](mailto:conference@nrcpds.org) with

your questions or comments.
