Re: Martha Hayes; Account Number 00000000177773

I am writing to inform you that I will be unable to afford the premiums for the policy that I selected through the Healthcare.gov Marketplace. I do not bring home \$200.00 a week and have daily living expenses like rent, food, transportation, etc. that require most of that. The \$333.88 monthly premium that was expected was unfortunately out of my budget. The policy that I had selected would have still required significant out of pocket money no matter what Healthcare services I required. I regret the Governor of SC was not willing to expand Medicaid or that elected officials in Washington were not willing to offer a public option. I am upset that I have to make this choice and the fact that I may face a penalty is extremely upsetting and unfair.

Regrettably,
