The lack of transparency and disdain for ethics as exhibited by the RNC, President Elect Trump, and his cabinet picks is abhorrent. The nation can never unite behind this bunch of cads. Show some respect for the ideas of our nation and be upfront about conflicts of interest, ethics, and financial dealings. Hillary was rejected because she was deemed untrustworthy. Do not kill the GOP with Trump and his slimy shennanigans.

I can't trust a government that even appears to be working for their own personal interests...or Russia!
