Katherine,

Robert Stewart has approached Director Smith about the possibility of adding a representative of the Fraternal Order of Police to the South Carolina Law Enforcement Officers Hall of Fame Advisory Committee. To do so would require passage of legislation amending the current law.

Section 23-25-20 of the SC Code of Laws – attached -- spells out the current makeup of the Advisory Committee, which is chaired by Director Smith.

The question is do you foresee an issue with adding another representative to the Committee. It is my understanding that Chief Stewart has discussed this proposal with the other members of the advisory committee and received no objections.

SCDPS would not be taking the lead on the introduction of such legislation.
