There's a little more to the Barnwell case than their folks let on this morning.

Also, I just talked to Elisabeth at DEW...she's just leaving Aiken, so she's not back with her materials/files yet. She and I are going to touch base again tomorrow morning, and then I can fill you in on the options from there.

Becca,

We need to contact each county as to why they didn't get their app in and offer our help. Ali make use that Barnwell gets in. They only missed the deadline by a day.
