the honorable governor nikki haley.

first i would like to say how very proud you must me with the people of charleston.no matter what race they are.i think everyone was waiting for the riots to break out.it never happened.

my second thought on this matter,was the taking down of the confederate flag.myself i think your moving to fast on this matter by asking that this flag be taken down.i understand that mostly your african american residents want the flag removed,but what about the residents whose descendants fought under this flag for there beliefs,both black and white.

what i would like to see happen is a state run election on this matter,this way every resident of your state would have a voice in this matter.to me and as you can see iam not from your state.so i really dont have a dog in this fight.as for me my family is from germany and never had slaves.but i think i would vote to keep the flag up.just my opinion with all due respect to you and the people of your
mr.ernest [REDACTED]

p.s.

i believe my wife and i will be in charleston in the fall of 2016 for my navy ships reunion and you can bet you will see us in front of ame church with heads bowed,saying a prayer for the nine lifes lost to a fool.

thank you

It cannot have failed to dawn on you that blacks and muslims are people who whine and complain endlessly, that they are uber sensitive in the extreme and have a goal of changing the USA into a country that caters to them and becomes a place where whites bow down to them. I'm not talking about all blacks, for there are some who know the difference between right and wrong, who can think logically and support our Constitution.

Blacks have been bitching about the Confederate Flag since the Civil War ended. They don't care that it was a source of pride and was historically important for many Southerners, they wanted it gone and refused to live and let live. You've given them a inch and they'll now be wanting a mile. They'll never be satisfied until they have oppressed America's white people. most completely here in the South.

Those murders in that church were committed by a man who is mentally ill. So what if he didn't like black people that didn't make his actions racism. Many of us no longer like blacks after decades of watching them kill, maim, loot, riot and destroy and get away with it. Instead of this crime causing some positive actions, such as better mental health services for those who are unstable, to name one, blacks are jumping up and down and crying racism and others are jumping on the gun control bandwagon. Now we have blacks who will be demanding more and more

without end and the Muslims, watching this will start doing the same. You have opened a can of worms by giving in to the blacks who have discovered all they have to do is cry racism or riot and loot to get their way.

I did admire you because you appeared to be a leader who could think logically and do what was right and good. However, I see you take the easier way out, that you are willing to placate blacks.

 <SUBJECT>The God Inspired ANSWER TO THE FLAG CONUNDRUM!!!!!--URGENT!--</SUBJECT>
 <MSG>

There are so many conflicts and problems and sadnesses I"involved in removing the "" confederate flag. Although one vivid component of it has surely been identified with the horrors of slavery and support of such ideology, it is also well understood to be so very very much more. It is about the people, history, resilience, heritage, love of neighbor, music, strength, rebel spirit, self sufficient mindset, and a special unity expressed as love of Dixie, south, and a higher power. There is a need to fly the flag that represents that unity and heritage. So to ask to make the confederate flag be fully considered to be an emblem of shame will likely cause more problems and division, with no option for the vaccum it would create. No honored symbol of the wonderful, proud, strong and beautiful things(and not the bad things) that the confederate flag... I believe I have been delivered a solution that is infinitely powerful and joyous!!! Soooo simple but so MAGNAMANTLY POWERFUL, HEALING AND DRIPPING IN HOPE for the south as well as the nation. And the irony of it being started and bred of the South itself is insanely perfect. The symbolism and love and true American Dream that it would symbolize is so uplifting and provides and action that even the truest redneck rebel can proudly display, fly and honor is grand and joyful and gives us all and actual action we can take. This would likely create an actual rollfront of relief, love and hope that would spread like wildfire across this country. It would be fitting in light of recent events that it start in the HOLY CITY OF THE SOUTH--Charleston, S.C.

It is SO SO SIMPLE! We don't take down the flag. We make a change in the flag to represent a HEALED CONFEDERACY, a long long journey that has led to a changed people. One clearly reflective of its original form. But one that clearly removes the division, the dominance, the blockages, and overtreating of a people that are in fact a part of its origin. One that still displays all of the good things that it represents as well as a new state of infinite, ever ongoing, healing and hope of the future, yet still honors all the souls--black, white, red, yellow, north and south--that have been lost in its shadow... I propose that we DO NOT take it down to do away with it but that we take it reverently down to change it to represent the change that have made and the hope and intention for the continued positive path of positive change and evolution of the future! My interpretation of what this would look like is the very same flag with the "X" removed from the center and replaced by a circle made of the same blue ribbon with white floating stars. It shows a meeting of people from all directions into a never ending path of unity and healed wounds that leads around a deep well of hope to ever draw from from growth resultant of the wounds and mistakes of the past. In that well also floats the reverence and honored memory of these lives lost this week that has finally brought us to this point of growth and show how much change has taken place!

I believe that this is divinely inspired and is burning or "illuminated" with hope and joy!!!! I will send a rough sketch in case you cant visualize what I see in my mind, in a second email bc I don't know how to attach one here. Please call me if I can be of help in this matter. PLEASE PLEASE GET THIS TO GOVERNOR HALEY. THIS IS SENT TO HER AS AN ANSWER TO HER PRAYER.

Respectfully and sincerely,

Ronda [REDACTED]

Honorable Nikki Haley
 Governor of the Great State of South Carolina

With all due respect to you, your office, your State and its policies. I request that you not remove the Confederate flag from your capitol grounds for the reason, which have apparently come from ignorance of its true meaning. I understand the difficulty you are faced with, however, the flag has no such meaning which caused the recent tragedy that your State encountered, anymore than the weapon which was used has no underlying bearing on the act itself. Anyone can use any flag to represent a difference in opinion, even the United States flag, for its roots are racist in context. The Irish encountered difficulties but did not demand changes, they worked with the system to develop a meaningful relation. Those who raise such a meaningless reaction towards this symbol, will one day ask that you change the name of you fair state, remove the riot irons from the fencing around the old houses that stand in Charleston. Remove the housing which stood during that time, remove fort Sumter, anything that they are able to remove that has any small part of history which they take as personal negatives, they will work to destroy it, even its constitution, the very thing that gives the right to fly the flag. Anyone who gives into them, will be their main interest in all debatable issues.

It is out of love and respect for your state that I make this request, that I ask you not to give into

demands that are of the media meaning, which has given this symbol the label which they claim. I am from Georgia, but I have a great respect for South Carolina and the Confederate Flag, because of those people who were willing to stand for what they felt was right. It is only a symbol of racism because of those who want it changed or removed. The symbol represented no such act during that war anymore than the US flag. They have both been used as racist symbols by organizations, as well as the Christian flag. Thank you for allowing me this opportunity to convey my values on this matter.

Respectfully,
Michael [REDACTED]

How dare you judge the Confederate Flag do you not know your history. Don't be a sheep and follow all of those that do not know their history be a leader and let them know the true history of our country.

The North fought the war over money. Plain and simple. When the South started Secession, Lincoln was asked, "Why not let the South go in peace?" To which he replied, "I can't let them go. Who would pay for the government?" Sensing total financial ruin for the North, Lincoln waged war on the South. The South fought the War to repel Northern aggression and invasion. NONE of the flags of the Confederacy or Southern Nation ever flew over a slave ship. Nor did the South own or operate any slaves ships. The English, the Dutch and the Portugese brought slaves to this country. not the Southern Nation.

The Confederate Battle Flag today finds itself in the center of much controversy and hoopla going on in several states. The cry to take this flag down is unjustified. It is very important to keep in mind that the Confederate Battle Flag was simply just that. A battle flag. It was never even a National flag, so how could it have flown over a slave nation or represented slavery or racism? This myth is continued by lack of education and ignorance. Those that villify the Confederate Battle Flag are very confused about history and have jumped upon a bandwagon with loose wheels.

The US flag flew over a slave nation for over 85 years! The North tolerated slavery and

acknowledged it as a Division Of Labor. The North made a vast fortune on slavery and it's commodities. It wasn't until the South decided to leave the Union that the North objected. The North knew it could not survive without the Southern money. That is the true definition of hypocrisy.

While Lincoln has went down in history as the Great Emancipator, many would not care to hear his real thoughts on people of color. Martyred President Abraham Lincoln was fervently making plans to send all freed slaves to the jungles of Central America once the war was over. Knowing that African society would never allow the slaves to return back to Africa, Lincoln also did not want the slaves in the US. He thought the jungles of Central America would be the best solution and conducive to the freed slaves best interest. The only thing that kept this from happening, was his assassination.

A very interesting fact on slavery is that at the time the War of 1861 -1865 officially commenced, the Southern States were actually in the process of freeing all slaves in the South. Russia had freed it's servants in 1859, and the South took great note of this. Had military intervention not been forced upon the South, a very different America would have been realized then as well as now. Many blacks, both free and of their own will, joined the Confederate Army to fight for their beloved Southern home. Additionally, men of other ethnic extraction fought as well. Oriental, Mexican & Spanish men as well as Native American Indians fought with pride for the South. Today, many men of color are members in the heritage group SCV - Sons Of Confederate Veterans. These men of color and pride rejoice in their heritage. The continued attacks on the Southern Nation, The Confederacy, and her symbols are a terrible outrage to these fine people. These attacks should be denounced with as much fervor as those who denounce the South. Organizations such as the KKK and Aryans have taken a hallowed piece of history, and have plagued good Southern folks and the memories of fine Confederate Soldiers that fought under the flag with their perverse agenda. IN NO WAY does the Confederate Flag represent hate or violence. Heritage groups such as the SCV battle daily the damage done to a proud nation by these hate groups. The SCV denounces all hate groups, and pridefully boast HERITAGE - NOT HATE. We never if ever had these problems until we removed God. It is the same thing as blaming GUNS for killing people when it is the people doing the killing. In the U.S. for 2010, there were 31,513 deaths from firearms, distributed as follows by mode of death: Suicide 19,308; Homicide 11,015; Accident 600. Nearly 1.3 million people die in road crashes each year, on average 3,287 deaths a day. An additional 20-50 million are injured or disabled. More than half of all road traffic deaths occur among young adults ages 15-44. So why not bane cars they have killed many more than guns. Why not take your anger out with those who took God out of our schools and government.

God Bless.

Lynnette

I would like to express that I am totally against your reverse decision to remove the Confederate flag. I would like to remind you that neither the man standing on your right nor the man standing on your left when you announced your reverse decision on removing the flag will be able to re-elect you to your position without the votes of the people whom you are offending. The Confederate flag has a meaning and is very close to many peoples hearts. The people who kill and or use the flag in a hurtful way are mentally ill. I and my Church are devastated by the killings at the Church in Charleston and in no way support killings. The killer is mentally ill and made a choice to kill because of his mental illness not because of the Confederate flag. The Confederate flag in no way should be a benefactor in creating a racial divide among the people. I recently learned that the Confederate army had many black people serve and die in it. Black people these days seem to be using anything they can to make a situation racial and that is creating a racial divide. Slavery ended over 50 years ago and should be considered a part of history. No man in my family ever owned a slave or supported slavery. Black people need to learn they are not going to get their way on everything even if they loot.riot.steal.burn or kill. Nikki you represent all the people in Charleston. not certain groups of people that become violent and cry racism when they do not get their way. I am sure you have heard from the senators and even the president. many of which have not earned much respect from the people lately. I urge you to leave the flag where it is and stand strong on what you first believed (before you reversed your decision for some reason). I am not a racist. I have many black friends. I have a black brother in law that I love dearly. I have been an athlete my whole life and have played with black guys whom I consider are like brothers. Your reversed decision to remove the Confederate flag is just wrong and for the wrong reasons. God Bless and Have A Great Day !!!

I was wanting to know, that in the event that the flag does get removed from the statehouse, if there would be anyway for myself to get it.I was born and raised in this state, and find great pride in our history, even though that flag was the symbol of Robert E. Lee's group. I still have great pride for that flag.I would be greatly appreciative if i were able to claim a piece of history for my own. I am not aware if there is a waiting list, or if the flag with be placed in a museum or anything of the sort, but if I might be able to receive the flag, it would make me extremely happy. the flag doesn't stand for hate, it stands for independence. if we would have lost the revolutionary war, i bet people would still have the colonial flag as a thing of pride.

Was the American flag banned from a Capital building after General Benedict Arnold betrayed the Continental Army of General George Washington and many people died as a result. far more than the nine who died in a black church at the hand of a psychotic gunman. Blaming a flag of honor over those who lost their lives in a war for the actions of a psychotic is psychotic. Most of my ancestors have served and fought in the US Military, the US Army, the US Navy and their wives have been members of the National Society of the Daughters of the American Revolution. But one ancestor fought under the Confederate flag of America: Charles Roberts who founded the M&M Banks of Mississippi in the 1800's. After the American Civil War ended, Charles Roberts walked to Ohio to borrow money from his wife's relatives to start the banks. He walked to Ohio in a Confederate uniform, the only clothing he had to wear. He was not attacked for being a Confederate soldier who lost a war under the Confederate battle flag you want to ban. He was respected. The war was terrible but the Confederate battle flag is not a symbol of cowardice and psychosis like you want to make it, as a symbol of a psychotic killer when it is a banner of honor of those who fought and many died in the American Civil War. Don't cheapen that by making it a symbol of a psychotic boy.

Governor Haley being a southerner I wish to appeal to you not to remove the flag. We know the murders were horrible but the flag killed no one. I understand how some people can feel but hurt feelings is no reason to abolish part of southern history and dishonor our southern hero's that died. We know this will only be the beginning. After the removal of the flag next it will be the Confederate cemeteries or the removal of Confederate bodies from other cemeteries. Next it will be the markers and statues honoring the dead will have to go. This flag belong to all southerners black and white it was black and white fighting side by side and died for this flag. So I beg please don't remove your flag.

Many of us are wondering where your common sense is!!!!you should be proud of the Rebel Flag!!!! as southern you should be proud of your heritage which you are not just by saying what you have said about the removal of the Rebel Flag. Flags don't force ay body to kill, to rob, to do the evil things the KKK did. Since when did a Flag force people to do these things. Could it just be because you have some really evil people there. Put them in jail, ban them from the southern states, do what ever it takes but leave the flag along. What next???? are you going to want the Unites States flag taken down because of the wars its been in? Sorry but I don't have much respect for you since you would make remarks regarding the Rebel Flag, and hopefully the peple in SC will take my view and vote you the hell out of office

Friedrich K [redacted] Woodruff, SC 29388-8677 June 30, 2015 The Honorable Nikki R. Haley Governor of South Carolina 1205 Pendleton Street Columbia, SC 29201 Dear Governor Haley: Regarding the Confederate Battle Flag. The flag is a symbol of our state history and should be left alone. It should be left up to the citizens to decide if the Confederate flag should be removed. I also think I am an immigrant from Germany and moved to South Carolina in 1987. When I was in school in Germany during the history class about the United States I learned that the reason for the Civil War was not slavery. The main reason was that the South was very rich and the Federal Government tries to impose higher taxes (Cotton money etc.) because the north was poor at this time. South Carolina was leaving the federation and the north wants not to lose the money from the south. Black soldiers were fighting and dying for the southern independence and freedom and this is black history and should not be ignored. What I miss is that the through history of the United States is not taught correctly for whatever reason there is. Get the people informed about the real history of the flag and stop bending for the wrongfully assault. Tell the people the real reason for the civil war and that the federal government started the war. Tell the people that the flag did not stand for slavery it was made to it. Tell the people that the flag is a part of southern history and the memory off the soldiers which lost their live in the fight for independence. Maybe people start seeing the truth and the influence in the state's history. Get the truth out about the flag and let the people of decide what to do. As a constituent of yours, I would like to know your thoughts on this issue. A proud member of National Write Your Congressman. Sincerely, Friedrich K [redacted] 864-[redacted]

 <SUBJECT>RE: The Confederate Flag</SUBJECT>
 <MSG>

Dear Gov. Haley,

I am a Conservative from Graves County, Kentucky. I believe that you share the core values that many of the founding fathers had that made this nation so great.

With that being said, I am very disappointed in your response to the Confederate flag on the South Carolina Statehouse grounds. The "Confederate Flag" as it is known sits just a few feet away from a monument to Confederate soldiers that died during the Civil War. If the flag is a racist symbol, what does the monument represent? Should we also take down all the Confederate monuments that exist all through the south on court house lawns? Would you be willing to lead that movement in our own home state?

The flag is a symbol of offense to many, it may be true, but so is the Christian cross. To appease those who stand against Christianity, should we also remove all Christian symbols from public places? However wrong the current generation may judge the motives of those who fought for the Confederacy, they saw themselves as patriots doing the same thing that George Washington and others like him did during the American Revolution. The average Confederate soldier did not fight for slavery. Why is it so wrong to remember them and have some regional pride?

I do not expect you to answer me directly, but if there is a chance you may somehow see this message I hope you will remember that the flag is viewed as a regional symbol of pride and sacrifice for thousands of citizens in the southern states. It should not be put away and forgotten for the sake of political correctness or in an attempt to appease naysayers for the sake of political gain.

Sincerely,

Daniel [REDACTED]

Out here in The Other Washington we applaud your decision to take down the Confederate Flag. Although we recognize its historical significance, it also represents a very odious and harmful past, particularly to your Black citizens. By way of comparison: During my husband's Army service we were stationed in West Germany (1966-68). NOWHERE did we see a Nazi flag displayed, even though that certainly represents a historical position, and many Germans served under that flag just some 20+ years earlier. But the Nazi flag represents a very odious and harmful (and EVIL) past, and it's not too big a stretch to understand the negative connotations of the Confederate flag in our country. Thank you for doing the right thing, Madame Governor. Best wishes to you and your administration.

I'll start off by saying, I'm sure you could care less what I have to say since I am not from SC, but here goes anyway.

I have always so admired you, but have lost a lot of respect since you decided to take down the Confederate flag.

Quite frankly, I don't have any great feelings about the flag one way or another. This is about apparently being politically correct or whatever.

I certainly didn't know, and wish someone could enlighten me, as to what the confederate flag had to do with the murder of 9 people in a church. I had no idea a flag could murder someone and here I thought it was Dylann Roof that murdered those poor people.

Apparently, it's okay to desecrate the American flag and no one does anything about it. But all of a sudden we have to take the confederate flag down because it offends certain people. I'm offended that it's been taken down for this reason.

Being politically correct is leading to the downfall of this great nation of ours and I think these two words along with racist should be banned. Free speech has gone out the window along with our constitution. I'm really tired of everyone kowtowing to the left

The problem in America is brain dead politicians. How is a "Flag" the problem? Instead of addressing the real issues you spend great energy fighting a "Flag". STUPID!!!!

Wake up - Blacks hate the Constitution, because it's a white mans document(fact). Blacks hate and burn the American Flag, because it's a white mans flag. Will you fight to take down the American Flag too? Liberals in America want to.

When will the GOP realize they cannot win elections without "Whites". White Christians will continue to stay home on election day because Republicans continue to through them under the bus. I'm one of them!!!

 <MSG>

Governor Haley,

It is with deep concern that I write this. I am from the state of Louisiana and I am very concerned about the issue concerning the Confederate Flag flying over government buildings in your state. I am grieved that you would remove it from your capitol building. This action is an inconsiderate action for those of us who understand the TRUE meaning behind the flag. It does not stand for racism. It represents a group of people, whom my ancestors were a part of, who forged the right to live free of tyranny from a government who sought to enslave them through over-taxation. This flag is a part of my heritage as well as many others who are citizens of your state and other states as well. To remove it from our history is to spit on the blood of our loved ones who fought to defend it. Please, I urge you to research the REAL meaning behind this flag and have a change of heart. I realize that my voice probably doesn't mean much since I am not a citizen of your state, but my concern for your actions are being realized! Just as I thought, Wal-mart has removed the selling of the Confederate Flag. What's next? How many other states are going to follow your erroneous lead and remove all icons of our southern heritage? I fear that next, we will be told we can't fly it on our private property. I fear you have opened a door that will only bring more division and oppression from the heavy hand of big government. And to think, your decision was made without a vote from the people who put you in office! You are an elected, public service official and your people deserve a voice! Let them vote on whether or not the flag should be removed. Sincerely, Tera [REDACTED]

Most honorable Governor Haley

Dear Governor:

Do you really believe removing the historical flag will solve all your racial problems?

That flag is part of South Carolina's deep history. We can't revise history for political reasons. The flag like the gun did not do the harm, but a sick nut was responsible for the terrible deed and he deserves the death penalty. We fly the Confederate flag in Texas at many locations because it is part of our history which we cannot deny.

Thank you sincerely!

I doubt after reading the title this will even be read. I was born in S.C. (Greenville). My parents were from S.C. (Saluda and Fountain Inn respectively) It saddens and angers me to see you approve to the removal of the Confederate flag. What if it had been the US flag used. Would you remove it???? There has been as much hatred shown for the US flag as of late as the Confederate flag. It amazes me to see leaders grasping at solutions to problems. The deaths in Charleston are a real tragedy! The doings of a obviously sick young man. He used a gun and everyone wants guns banned. Grasping again without looking at the facts. Again I am angry! Very angry that this was your decision but we have lived by politicians decisions for a long time. Possibly too long. Thanks you for your time.

<MSG>

Dear Governor Haley:

Thank you for your politically courageous move to call for the removal of the Confederate flag from the state capital grounds. I hope this will eventually be extended throughout the state, and ultimately, throughout the South, so that a banner that is viewed by so many as a symbol of hate and oppression will be finally retired from all public property, while the First Amendment will still guarantee an individual's right to display the flag as free expression.

I went to seminary in Gettysburg, PA, and while I thought it was perfectly appropriate to display the flag in the various museums of Gettysburg, I was appalled when I discovered it being sold in a t-shirt shop. I wrote to the local newspaper, but my letter was never published. In Gettysburg, of all places, local financial interests trumped decency. I plan to once again write to the newspaper in Gettysburg and ask that both local souvenir shops and museum shops consider when it is appropriate or inappropriate to sell items depicting the Confederate battle flag. An historical painting or tableau? Yes---it's history. A t-shirt---a bit more doubtful.

Again, thank you for this move. And may God bless you and the people of your state (and our nation) as you and we struggle through this difficult time.

Sincerely,

Pastor Kim [REDACTED]

My heart aches for the families who lost a loved one in Charleston. South Carolina did a beautiful job of showing love and compassion for those who lost their lives at the hands of a disturbed and heartless individual. I cried watching the news coverage and never could wrap my mind around how someone could do this to 'God loving'-BLESSINGS to our society. My heart hurt looking at each of their photos and hearing the history of each person. I cannot imagine in a million years how this happened! I can see a family member, or a dear friend in each one of the haunting pictures. I am not a racist. I am a American. I have lived in SC since birth. SC's history includes the Confederate Flag, there is no changing that. I feel as though racial baiting is the cause for so much increased hate in our society. I feel that you asking for the removal of the flag was ill timed and unnecessary. It has increased hate in our state because the Confederate Flag was thrown into the tragedy. The Confederate Flag didn't walk into a place of worship and kill 9 South Carolinians. A disturbed individual did. The state of South Carolina is 'at each others throats' because of YOUR suggestion. Exactly how are we to protect our families because you have introduced this to our state? I am only sending this message because of the acts of a extremely disturbed person. How many more have been set on fire to act upon their impulses upon others in the name of 'whatever hatred' is in their hearts?

The PC Police will not dictate my rights. Our elected officials are caving to political, financial, and personal pressure. Again. They need to be removed from office at the first available opportunity. turn it over to a vote from the citizens of South Carolina. As for the folks not from SC who are clamouring for the removal of the Confederate flag here in SC: STFU! No one asked for your biased, tell you folks in CA or FL, what to do, do not insult us here by telling us you know what is best for us. You see, if you had a clue about SC history, you would know we do not take kindly to others, what to do. Remember the first Civil War? I can almost guarantee that Civil War II will start here, too. Keep pushing.

PRESS RELEASE PRESS RELEASE

Date: June 29, 2015

From: Vice-Chairman, [REDACTED] County Council, Kamau [REDACTED]
 Board of Trustees, [REDACTED] County School District, Annie [REDACTED]
 Mayor, [REDACTED] Gregrey [REDACTED]

Re: Resolution Supporting Governor Haley's Plan to Remove Confederate Flag

On Thursday, June 25, 2015, representatives from the Fairfield County Council, Fairfield County School Board, and the Town of Jenkinsville came together to endorse the following resolution:

"We the undersigned join together to express our condolences to the Emanuel AME Church and the families of the slain martyrs in last week's tragic massacre in Charleston, South Carolina. Now is a time for healing and unity. In that light, we support Governor Haley and her plan to remove the Confederate flag from the grounds of the Statehouse."

In the week since last Wednesday's shootings, leaders from western Fairfield County - Board Member [REDACTED] May [REDACTED] and Councilman [REDACTED] - have heard from citizens from across Fairfield County. "We have witnessed folks coming together from all walks of life - showing unity like never before... in support of their brothers and sisters down in Charleston," shares Annie [REDACTED], District #4 Member of the Fairfield School District Board of Trustees. [REDACTED] stated that she has been impressed with the out-pouring of love and

forgiveness shown by the families of the slain and people of all races across South Carolina supporting them. "We owe it to the slain to come together and act... now."

Kamau [REDACTED] is the Vice-Chair of the [REDACTED] County Council (District #4). On Wednesday of this week, he spoke at a Prayer Vigil held at Fortune Springs Park in downtown Winnsboro. In his remarks, he challenged a diverse crowd of 100 to do more than unite in sorrow: "Let us roll up our sleeves and take steps to deal with the root cause which led to the recent shooting – racism." The crowd was silent as Councilman [REDACTED] then read the names of the slain: "Today we come to honor the memory of Tywanza Sanders, Cynthia Hurd, Susie Jackson, Ethel Lee Lance, Rev. Sharonda Coleman-Singleton, Rev. Depayne Middleton-Doctor, Myra Thompson Rev. Daniel L. Simmons Sr., and the Honorable Senator Clementa C. Pinckney. But let not their deaths be in vain. I urge each of you to come together, roll up our sleeves, and let us work together to change our communities."

[REDACTED] Gregrey [REDACTED] applauded Charleston Mayor Joe Riley and his immediate reaction last week – labeling the Charleston massacre as a Hate Crime. [REDACTED] grew up in Jenkinsville and has lived in this predominately African-American town all his life. His Jenkinsville citizens have asked him "...how can we fly the same flag the killer used last week... right in the path of the casket of one of the victims [Senator Clementa Pinckney] on the way to lie in state?" [REDACTED] stated "Councilman [REDACTED], Board Member [REDACTED], and I are asking our legislators to support Governor Haley to eliminate that which divides us... permanently remove the Confederate Flag from the statehouse grounds immediately."

Copies of this resolution are being sent to members of the General Assembly and the Governor.

STUPID POLITICIANS OVERREACT DURING TIMES LIKE THIS-MITT ROMNEY CALLS FOR REMOVAL OF FLAG, AND YOU WISH TO FOLLOW SUIT. REMOVE THE CRIMINALS. MURDERERS. DRUG USERS AND THIEVES FROM AMERICA. OVERREACTING? YEP! YOU DO WHEN RUSSIA ATTACKS AMERICA? DEMAND PUTIN REMOVE THE FLAG OF RUSSIA FROM THE KREMLIN? DON'T GIVE IN TO INSANITY. YOU, AND THE CONFEDERATE FLAG, REPRESENT A HUGE MAJORITY OF INTELLIGENT PEOPLES-YOUR OATH TO THOSE PEOPLE IS AN OATH TO ALL SOUTHERN PEOPLES. THEIR IDEALS, HISTORY AND HERITAGE. Dear Gov. Haley:

I am aware this is a highly visible issue at this time which is why decisions should not be made as a knee jerk reaction to the press. The Flag of The Confederate States of America IS NOT a symbol of racism. it is a symbol of history of this country. This flag flew over a sovereign country, although that sovereignty was short lived. The fact is. AMERICANS died defending this flag. To deny them the recognition of that flag flying over their memorials is heinous. Please, do not cave in, rather EDUCATE those who are too blind to see. I was raised and educated in the north where the history of the Civil War is a perversion of the truth. Slavery was not the cause of the war between the states and neither is racism. Keep the honor of those fallen Americans.

Thank you!

In watching the news about the flying of a Confederate Flag at a Civil War Memorial, I can't help but to voice my opinion. I grew up in Wisconsin. My family had several members that fought in the civil war for the North. I served in the Marine Corps. I find no disrespect to anyone in flying of the Confederate Flag at the Memorial. The young men who fought valiantly for South Carolina during the Civil War deserve the Memorial which flies their flag. The South fought a superiorly supplied and equipped Northern Army and won many battles solely on there devotion and valor for serving your State and the South.

Germany honors their war dead from World War 1 and 2, Japan honors their war dead. Even though both countries committed horrible war crimes against humanity. Their is NO disrespect towards blacks in flying of the flag. Don't let the young men who died in the war be forgotten!

Thanks for your time.

Gov. Haley,

First, I would like to express my sympathy to Charleston Family. I know the entire city and state , as well as the nation, are suffering as a result of the actions of one individual filled with hate. I would also like to say that I truly admire how Charleston, South Carolina and you are handling the tragedy during these difficult times. I am from Alabama but have always loved visiting your great state. I, like so many others, know that the Confederate Flag was not the "cause" of this tragedy and, personally, do not think it should be removed. However, if South Carolina believes removing the flag will help heal the state then we all should be supportive. I also think now is the time to call for everyone to recognize that we are all Americans and that, as one nation, we have one flag --the American Flag. It's time to treat that flag with respect and make it a crime to step on or burn the American Flag! And, we need protect the 2nd Amendment.

Respectively , Maxine [REDACTED]

 <SUBJECT>Confederate Flag removal</SUBJECT>
 <MSG>

Dear Gov. Haley.

I was deeply disappointed by your statement concerning the removal of the Confederate flag from the state house grounds. Years ago, when the issue of removal of the flag from the capitol first came up, I knew it was only a matter of time before liberals and activists would take the next step. Many South Carolinians in their optimism thought that this would be the end of the matter. Well, finally, you politicians have found the pretext you needed.

This is not an issue of racism. I am a 42-year-old white male who is native to South Carolina. I saw race relations greatly improve during my formative years, only to see that progress jeopardized during the presidency of Barack Obama. Even so, great progress has been made. I know many people who love Tim Scott and would like to see him be the next President. I also understand that even more progress is needed. I hope that in the future, conservative, Bible-believing Christians will provide leadership in this area, as they have not always done so in the past.

However, the sick, twisted individual who committed this massacre at the church in Charleston is not representative of the overwhelming majority of South Carolinians--who are, if I may add, proud of their history and of the Confederate flag, which to them symbolizes the struggle for states' rights and not racism. I know that many of our black brethren may feel otherwise, and this was the reason for the compromise (in the minds of many conservatives) for the removal of the flag from the state house.

To get to the point, your announcement will embitter the very people who elected you, and will not work toward greater racial harmony. Are you doing this for moral or ethical reasons? If so, you are greatly misguided. Are you doing this for economic or political reasons? That would certainly be more typical for a politician.

If a black man goes into a white church and shoots innocent people, are you going to ban Black History Month or MLK day in South Carolina? Where does this end?

The American flag, the Stars and Stripes, flew over slavery from the founding of America to 1865.

Should the American flag, the Stars and Stripes, be taken down?

William Lloyd Garrison noted this in print, in January 1845, in his newspaper, "The Liberator."

"...To secure the adoption of the Constitution of the United States, it was agreed, first, that the African slave trade,-till that time, a feeble, isolated colonial traffic,-should for at least twenty years be prosecuted as a national interest under the American flag, and protected by the national arm..." [emphasis added]

Source: by William Lloyd Garrison.

The American Union, The Liberator, January 10, 1845.

Once the American flag is taken down, should all places named after slave-owners be renamed, for instance Washington D.C., Washington State, all the Washington and Jefferson counties and etc?

I am appauled by the tragedy that has occurred in your state. You all have my deepest sympathy.I am an African American that too comes from the south. However I don't feel that flag should be taken down because it is to some as much apart of the South as ice tea. I don't have a problem with the flag as much as I do with people who chose to play God.the giver and taker of life. I feel if this flag is remove it'll only led to bigger problems.

the honorable governor nikki haley.

first i would like to say how very proud you must me with the people of charleston.no matter what race they are.i think everyone was waiting for the riots to break out,it never happened.

my second thought on this matter.was the taking down of the confederate flag.myself i think your moving to fast on this matter by asking that this flag be taken down.i understand that mostly your african american residents want the flag removed.but what about the residents whose descendants fought under this flag for there beliefs.both black and white.

what i would like to see happen is a state run election on this matter.this way every resident of your state would have a voice in this matter.to me and as you can see iam not from your state.so i really dont have a dog in this fight.as for me my family is from germany and never had slaves.but i think i would vote to keep the flag up.just my opinion

with all due respect to you and the people of your

i believe my wife and i will be in charleston in the fall of 2016 for my navy ships reunion and you can bet you will see us in front of ame church with heads bowed.saying a prayer for the nine lifes lost to a fool.

thank you

Dear Governor:After the flag is taken down. what next? the Confederate Monuments?
will the offended dig up the bodies of Confederate solders and burned them?
no amount of compromising will appease these people. when will you elected
leaders learn this! the flag did not shoot any body in Charleston!
why this rush to take the flag down!?
I believe In doing so you will offended the majority of voters who supported you.

With respect:
Bobby L [REDACTED]

If the Confederate flag is up for consideration of removal then the Black Liberation Flag should also be removed!! There should only be two flags on the state house grounds With respect to order... The American flag and the State of South Carolina flag. Will future protest spawn demands to fly the Muslim flag?

THINK ABOUT IT!!

I'm signing because it is the only way for a fair outcome. We the people of South Carolina do not need the pressure from outsiders, trying to force the issue. I have also have ancestors that have fought under this flag. And to say their sacrifice is means nothing to this state is incomprehensible.

I don't think it is right for the flag to come down just because someone took a picture with the flag. The flag did not kill the person. What about all the black people that kill people, are you going to take down what represents their history (monument). No you wouldn't. You need to let the people vote on this

THE CONFEDERATE FLAG DOES NOT HAVE ANYTHING WHATSOEVER TO DO WITH THE CHARLESTON TRAGEDY. THIS IS JUST A REACTION--IT IS A HERITAGE SYMBOL. WHAT YOU ARE PROPOSING IS A SIMPLE REVISION OF HISTORY.

THE INNOCENT PEOPLE KILLED IN THE TRAGEDY CAN BE HONORED WITHOUT OFFICIALS GOING OVERBOARD BY CHOOSING TO TAKE THE FLAG DOWN. THE ISSUE TO BE CONCERNED WITH IS MENTAL ILLNESS INSTEAD OF THE FLAG.

Dear Governor Haley, I would like to start by saying I am a supporter of both you and the Republican Party. It is with great concern that I send this e-mail addressing the recent events that have shocked our Country and State. At a time such as this it's easy for people to place blame during a tragedy and it appears it has fallen on the Confederate Flag. However, I do not see any link between the two. The Confederate Flag serves as a reminder of our southern roots, culture and those who died defending it. With this being said, I feel the fate of the Flag should fall on the people of South Carolina. A vote on whether it stays or goes. This will leave only the citizens of our great State responsible for the outcome. Respectfully yours, Sam [REDACTED]

Dear Governor Haley,

I pray that you are blessed with wisdom and courage. I applaud and fully support your position to remove the confederate flag from state government offices. That flag represents a time when our nation was divided, no matter the cause or intentions of those that it represents. It represents the bloodiest and costliest battle that this country has ever been involved in, in terms of lives lost. It represents division and hate between two ideologies. It has no more 'right' to be flown over United States government offices than the flag of Great Britain. Please, please take it down.

Thank you for your time and may God richly bless you.

Governor Haley... Thanks again for your NEW efforts to remove the Confederate battle flag. It is truly a needed STEP in the right direction. But it needs to be followed up with further corrective actions. AS you might know SC has about 19 hate groups and the US has roughly 784 hate groups per the The Southern Poverty Center and others groups who make efforts to keep the public informed about these things. Getting racial equality should not require the shedding of blood by so many innocent people. So it is important to get the FLAG issue done...and I salute you for your position. But, what is more important is that the SC state have a conversation and ongoing dialogue (given the eyes/focus of the US nation). We need to look at the links of some of the groups that Dylann Roof's manifesto and at these other hate groups (given the ISIS threat as well). I want to ask you to further your effort to remove the flag AND deal with this bigger issue of hate groups and make the effort to energize conversation or actions that are ongoing to counter those THREATS to our state or nation. One example is the Council of Conservative Citizens (mentioned in that manifesto) which promotes White supremacy and also is noted for making contributions to some G.O.P. leaders (read article by MICHAEL WINES and LIZETTE ALVAREZ, JUNE 22, 2015)

Again, I'm asking you to do a courageous follow up to form county or congressional groups within the state and have the lawmaker's involved to have conversation and dialogue within the state. Again, thank you for your first step to do something about this threat of hate groups.

Thanks, Henry [REDACTED]

Dear Governor Haley.

I know you are in favor of removing the confederate flag from the state capital. Consider this though if you will: the young man who committed the atrocity on the church is obviously mentally disturbed. Just because he took a picture with a confederate flag, does that change what the flag stands for in South Carolina? Are you still proud of the heritage of your state? Being a "Conservative" I feel you're being swept up in the "left's" agenda of remaking the United States into something unrecognizable to anyone who cares about this country and how it was founded. What happens if a person with a Bible in his hand goes and shoots someone? Are we going to say that the Bible is now a divisive book that needs to be removed from society? Of course that sounds ridiculous but we are on that path as far as I can see Governor. One mentally ill man (nor the leftist Democrats) should determine for the rest of us what is or is not acceptable in this country. Please do not buy into this hysteria. We are on a scary path that does not lead to anywhere good for us.

Thank you for your time.

Even though I am not a proud South Carolinian, I am a proud born and reared Southerner. To me and my family and friends the Flag represents our Heritage and belief in State Rights. We do not think of the Flag as being a racist symbol.

I would respectfully ask that you not give in to those that would erase our Heritage and rewrite our countries history for their on benefit.

Keep the Flag flying and honor the memories of those that died for their beliefs in States Rights.

I fought for our Stars and Stripes and would, even at my age, gladly do so again.

How brave and honorable are you?

Governor Haley:

First I want to say I am a strong supporter and feel you are an exceptional governor.

The reason I am writing you is to express my feelings about association of the Flag of the Confederacy with the terrible incident Charlestown experienced last week.

My heritage is based in SC. in fact it was Charlestown where my relatives landed prior to the War for Independence. They fought for our independence at Cow Pens. I lived in Spartanburg as a child. I still have fond feelings for SC.

My great grandfathers (three which were old enough to join the Army of the Confederacy) were involved with the Civil War for nearly the entire duration. They came home to destruction and a hard life but managed to rebuild and leave America a better place than it was in April of 1865.

Based on their dedication to America and the sacrifices they made. I feel it is somewhat disrespectful to remove a flag that symbolizes great sacrifices made by all Americans because some mentally disturbed person elected to use it as a symbol of his cause. As you know the Civil War was about more than slavery and was driven primarily by big government being oppressive to the South.

I am still a strong supporter of your policies and actions as Governor, but I wanted t let you know I feel my deceased relatives that laid down their lives for America have somewhat been disenfranchised but the act of attaching a flag to an act committed by a disturbed person who had no concept of the issue he was advocating.

Stay the course Governor Haley as I am proud of you and SC.

Thank you for considering my comments.

Dear Governor Haley.

Thank you for your brave & bold move to remove the Confederate flag in South Carolina! As a native Floridian, I have long been embarrassed by this flag. Your statement on Monday has reverberated across the U.S. in a positive & productive way.

It would appear that many southern states are re-thinking this issue. It is the right thing to do & the time has finally come.

Thank you again. Of course a woman was the person bold enough to make this change. Well done!!

Most sincerely,

I believe that the governor is making a big mistake here. History is history and should not be changed by less than a vote of all the citizens of the state. The flag issue for me has nothing to do with anything but history, and all those young southern men who spilled their blood for that flag, likely had no idea what it was all about, but they did die for what they believed in at the time. What next? will you call the governor of Virginia and ask him to have a D-8 Dozer run down all the headstones in the Hollywood Cemetery in Richmond. Did the governor loose any family members in that war?

My family came here from europe, like so many others, so I really have nothing in it. BUT I JUST DON'T THINK IT'S RIGHT AT ALL TO TAKE THIS PRIDE AWAY FROM FAMILIES WHO DO! JMP

You are so wrong on your stand dealing with the confederate flag. I do not see it as a symbol of hate. You foreigners come to our state and have absolutely no understanding of our history and heritage or what our wars were fought over. You are taking away from the deaths of the fine people who were murdered in Charleston and focus on eliminating the remembrance of our past. Who are we without history? We are no-one. The flag was removed from our capitol dome and placed in a location of prominence behind our capitol. Most people don't even realize that our capitol faces the south.

As far as business not coming to our state. they are more reluctant to come here because you can't get the roads repaired than they are over our history.

Keep up the fight and you will lose my vote. My church is where the secession papers were signed. I guess we're next on your agenda.

Dear Governor Haley.

As a South Carolina resident and business owner, I wanted to let you know of my support for removal of the Confederate flag from the Statehouse grounds. I was born and raised in the South. My ancestors fought for the Confederacy. As child, I played with relics from the Civil War in my grandparents attic. That being said, as a voting citizen of this state and as a business owner, I strongly believe that the Confederate flag has no place on our Statehouse grounds, and hope you will continue to push for the necessary legislation for its removal.

Sincerely,

If you are removing the so called "Confederate" flag, then you had best make sure that no flags from other nations (Mexico, Ireland, the UK, Africa, etc.) or no flags that are for certain pride movements are flown on any publicly funded grounds either. If a flag of a large part of US history is not allowed, then neither should any others.

As a citizen of South Carolina and Columbia I do not support removal of the Confederate Flag as it is presented on the State House grounds. didn't we go through this a few years ago, but still not satisfied. Seems to me that this action was decided by the Liberal Press, not the people of South Carolina. I lived in Charleston for the past 30 years but returned to Columbia, and am aware of the tragic happenings there. I on occasion met some of the people involved as victims the shooting. The people of Charleston are a special breed, black and white. I know from working in a hospital there. The current poll, as I read it, states 70 percent of the citizens of South Carolina want the flag to stay. I did vote for you!

Your Excellency Madam Governor,

I hope to become a South Carolina resident in the near future and applaud your support for removal of the Confederate battle flag from the grounds of your state capital, because of what it represents. I'm curious if you will also do what you can to have South Carolina end issuance of your "Sons of Confederate Veterans license plate", which also carries an image of that flag and is available to any state resident. My fear is that with open availability, this license plate may have become and continue to be used as a somewhat official and state-sanctioned symbol of membership and support for hate groups with this image present. There must be a better image to symbolize family history and heritage for the ancestors of these veterans. Thank you.

Dear Governor Haley, this is just getting started, when the Confederate Flag has to come down the people who oppose this will simply say if you take the flag down then the black history memorial will have to go and any other history that is on the statehouse grounds in order to be fair to all the citizens in the state. I don't see this being over and look for it to only get worse. I have seen the people on the internet talking about it and a lot of the people think that the flag didn't make a murder out of the guy, he was already a racist and murderer. Every person is responsible for his or her own actions and can't look for blame on any one thing. A cold blooded killer is just plain mean to start with. Our history is just as important to us as any other in this country and it's sad that it has to be taken down because people can't get over things that happened in the past(history) and use any means to get their way. Therefore: what ever happens next they will look for an excuse to use it to their advantage as well. Thanks for listening to my opinion.

I will assume you have heard about everything imaginable from the many different people. Both side of my family have been in the Great State of South Carolina since the late 1600's. My family lost many brave sons and fathers trying to protect South Carolina and other Southern States from being invaded. I take what you said as a personal affront to my many BRAVE family members who were killed in action and listed in the "Book of the Dead" of South Carolina. 90% of the people in this country do not have ANY KNOWLEDGE of the War. including you. Most take what they are told which is a lie. Your first response Monday at your news conference should have been "This FLAG killed NO ONE last Wednesday in Charleston. You're showing your true colors now and that is caving to a small vocal minority and out of state liberals. you just proved by your words that you are a RINO and will cave! You and many other "Supposed" South Carolinian's have lost ALL RESPECT of a True South Carolina Family. That GREAT FLAG KILLED NO ONE!!!!

Governor,

Would you consider making a law to make the history and heritage of your ancestors illegal?
I was born in Ohio moved to NC 25 years ago, being from the north I don't see the confederate flag offensive and I am not a racists.

But caving to a false narrative that the confederate flag is anything but part of your states heritage is foolish. Leave it up to the people, let them vote and decide. Would you consider making a black symbol of their heritage illegal, without a vote?

We as a nation are all American, not hyphenated Americans, a melting pot of cultures. Why do you put yourself in the position to choose between any culture or their symbols.

Best regards,
Scott

If we have to give up our southern pride. there should be a trade off of ugly rap music that includes things like killing our law inforcement. The flag has never encouraged the killing of cops. It's very offensive! They say well " don't listen to it" and I don't. I on the other hand can say "well, don't look at our flag". If it is so offensive then a trade should work! Don't be a chicken!

By taking unilaterally down the Confederate flag it enhanced the perception that you and the Republican party were the one the stood FOR slavery and segregation in the South. We both know this is untrue, but it did reinforce the perception of those that only hear the headline and are ignorant of history. Always turn slavery BACK on the Democrats! What you could have done is to have a press conference stating you will take down the Confederate flag AFTER the state Socialist Democratic party requests it and an apology for put it up in the first place! Don't make the Democrats racists history the Republican parties problem. If you want some actual GOOD advice feel free to contact me if this filters through your staff. No, I am not armchair quarterbacking. I would have had this plan of action prior.

The Confederate Flag "Should Not Be Taken Down". We Need to CHANGE the Mindset of the People. The Flag is a part of American History. I'm not saying to be proud of it. People Must Remember that it WAS a Different Time. It IS A PART OF "AMERICAN HISTORY" weather WE Like it or Not.

 Gov. Haley.

I fully endorse your call to remove the confederate battle flag from the State Capital.

South Carolina has a proud history, which should be honored. A more fitting tribute to Civil War veterans might be the battle flag of the First South Carolina Volunteers. As you know, they were the first African American troops organized during the Civil War. (The Massachusetts 54 are more famous, but South Carolina deserves the honor.)

I know that some South Carolinians might not want to honor its brave Civil War veterans of African descent, but they served with honor in a war against slavery and treason.

Dear Governor Haley:

With regard to the above, you have now opened up the proverbial can of worms for the rest of the states. Many of us are proud of our ancestors who fought for that flag. We are not racists or bigots. That flag represented states' rights and resistance to a tyrannical federal government; it didn't represent slavery. So disappointing to see that you have bowed to political pressure from the radical left...or perhaps the current administration? Now, we Virginians have to confront another tyrant: the far left Clinton fundraiser turned Governor who wants to remove our Sons of the Confederacy license plate, obviously following your foolish lead.

Thanks a lot, Governor.

Have you considered substituting the Stars and Bars (official Confederate flag) for the battle flag? That might appease both sides somewhat.

I am 10th generation South Carolinian and now live in Atlanta. My grandfathers fought in the Civil War and Revolution. I agree with your position on the flag because a symbol that's been co-opted by hate groups like neo-nazis and the KKK is not the best way to honor our heritage.

That being said, the next time some uppity NYC reporter asks you about this issue can you please ask them about the gilded statue of William T Sherman at the entrance to Central Park? By modern standards General Sherman was a war criminal that burned historic landmarks in SC like the Old Sheldon Church and inflicted great civilian damage on Columbia after wreaking havoc and taking innocent civilian lives in Georgia.

That gilded statue in Central Park should be offensive to Southerners; it is to me. If some NYC reporter thinks we need to remove our flag because it insults some people, please let them know their gilded statue of William T Sherman with a GA pine branch under his horses' feet is NO LESS OFFENSIVE! Maybe they can follow their own uppity big city advice.

First I want to say that removing the flag is a disgrace. It does not stand for racism it is a battle flag. All this political correction is ruining this country. Other countries are probable laughing to see what goes on over here. You are ruining the history of our nation. Next some group will want Abraham Lincolns statue removed.

If you want to do something good declare the day John F Kennedy was murdered a national holiday. That is a disgrace that it is not.

Another disgrace is that illegal aliens are allowed to stay here. I cant break the law and get a pass. But of course we know this means votes for you politicians.

Blacks now have the rights we have and I agree they should so why don't they stop crying. I am not a racist so don't portray me as one.

There can be a Gay pride parade and a Spanish pride parade Black pride parade. But if WHITES have a pride parade right away we are called RACISTS is that fair.

Governor why don't you read this on the news.

What are you going to do next ban the DUKES of HAZARD reruns.

Also taking ALEXANDER HAMILTON of the ten dollar bill is disgraceful. Also any company closes a plant in this country and opens one in a foreign country just to make an enormous profit should be taxed heavily.

STOP ruining our great nation and make it as MIGHTY as it once was.

Steven [REDACTED] RETURN AMERICA to GREATNESS.

First, I don't care if the flag is up or down. Makes no difference to me. I see both sides.

I am afraid your best intentions, Gov. Haley, have stirred up a firestorm that is going to get much worse before it gets better. I just watched speakers on tv demanding this and that. Speakers from out of the state. Things were going well. No riots and lots of hand holding. I think Friday will be much worse. I believe it's possible we are going to see a lot of negative press because we have a president coming to town to stir things up AND many unhappy flag people *(both sides)all at the same time. Too many issues all at the same time. I hope I am wrong.

Dear Gov Haley, my heart goes out to the victims of the church shooting. It brought tears to my eyes listening to their loved one's talking about their loss and what good people they were, it makes me wish I could put my arms around them and comfort them. I wanted to tell you my thoughts concerning the flag in question. If we as a society put our efforts into banning a piece of cloth we are missing the mark, we are not going after the real deep rooted problems which are spiritual problems. Whether the flag comes down or not makes no difference to me. I believe it is a waste of precious time and energy at least at this point in addressing the real problems. What will it take to bring us all together? God said we are created in His image and that we are ALL created equal. Maybe the bible back in class rooms? Isn't it something...we remove the word of God from schools but allow it in our prison's. When will we turn to God for answers such as these instead of relying on ourselves...we know that's not working. Thank you, we all have a lot of work ahead of us...and for you Gov I pray for strength, wisdom and boldness in your's and South Carolina's day's ahead! 2 Chronicles 7:14 and My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin, and will heal their land. God bless you, South Carolina and this nation!

I would like to take a moment to encourage you to stand with those who want to look to a bright NEW future for my beautiful home state of SC and remove the confederate flag from mandatory placement on the State House grounds. It is a part of our history. We honor our history and we learn from it. But, we need to let the world know that SC is and can be a place of great integrity and pride for all its citizens. The flag casts a shadow on our potential and does not reflect all that is so good about our state.

I grew up in rural SC, graduated USC and even served as a page in the House for 4 years. I have lived in Nashville, TN for almost 30 years now but my husband and I are looking forward to making SC our new, permanent home in the not too distant future - in Bluffton, SC. I would love to be a part of making my beautiful SC an even better place to live and one that is seen around the country and the world as a leader.

It would also be great if the people of the state could vote on a resolution to this issue.

If we have to give up our southern pride, there should be a trade off of ugly rap music that includes things like killing our law enforcement. The flag has never encouraged the killing of cops. It's very offensive! They say well "don't listen to it" and I don't. I on the other hand can say "well, don't look at our flag". If it is so offensive then a trade should work! Don't be a chicken!

 <MSG>

DEAR GOV. HALEY,

PLEASE ACCEPT MY MOST SINCERE CONDOLENCES REGARDING THE SENSELESS MURDERS THAT HAPPENED RECENTLY IN THE CHURCH IN CHARLESTON.

MY STATE IS NO STRANGER TO THE ACTS OF A CRAZED KILLER AND KNOW FULL WELL THE RAMIFICATIONS OF A GOVERNOR'S KNEE JERK REACTION BY HASTILY ENACTING A STRICT ANTI-GUN BILL WHICH, HAD IT BEEN LAW AT THE TIME, WOULD NOT HAVE PREVENTED THE NEWTOWN MASSACRE THEN OR NOW.

UNTIL NOW YOU HAVE HAD MY COMPLETE SUPPORT REGARDING YOUR STANCE ON THE 2ND AMENDMENT AND MANY OTHER ISSUES. BUT YOUR RECENT ACTIONS CALLING FOR THE REMOVAL OF THE CONFEDERATE FLAG FROM YOUR CAPITOL BUILDING HAS GIVEN ME SECOND THOUGHTS AS I SEE YOU NOW PANDERING TO THE BLACK COMMUNITY AS IF THE CONFEDERATE FLAG WAS THE REASON FOR THE MURDERS.

MR.ROOF, AS WAS MR.LANZA, WERE BOTH MOTIVATED BY FAR MORE THAN A MERE SYMBOL. MADAME GOVERNOR!!

BY ACTIONS LIKE THIS, YOU ARE SAYING THAT THE CONFEDERATE SOLDIERS WHO FOUGHT AND OR DIED FOR HIS BELIEFS ARE NOT AS IMPORTANT AS THE NORTHERN SOLDIERS WHO DID THE SAME.AND BY EXTENSION, THEY ARE NOT AS WORTHY AS THE VETERANS AND FALLEN FROM THE OTHER WARS. THIS COUNTRY HAS FALLEN TO A NEW LOW AND I URGE YOU TO RECONSIDER YOUR POSITION.

THANK YOU

Ms. Haley, You are an absolute disgrace for jumping on the ban wagon of calls to take down the Confederate Flag. All this proves is that you do not care about the heritage of our great state; nor do you know the true history of the flag and you are only another political hack.! Congratulations, you now have alined yourself with Obama, Sharpton, & Jackson. The people of the great state of South Carolina deserve better and I plan to do everything in my power to see that you do not get re-elected in the next election.!!

Ma-am,

i have the utmost respect for you. and i just want to ask a couple questions.

Why is it a hate crime when it's a white person committing the crime against a black person? and never when a black person or a group of black people commit a crime against a white person?

Will it be considered a "Hate Crime" for the women that climbed the flag pole and took the confederate flag down? After all she did it with fore thought and malice with the intent to lash out and cause hurt to white people.

Ma-am, I know there is only one race, and that is the human race. we are all the same. some choose to lay up and blame all their problems on someone else. I haven't done anything to oppress anyone, all who live oppressed in south carolina do so by choice.

Take the confederate flag down.or leave it up, you will NEVER satisfy everyone. May God Bless you as you work a terribly hard job.

As a resident of SC and a member of the Sons of Confederate Veterans who has supported your two term election and administration. I am extremely disappointed with your call to removed the ceremonial Confederate battle flag in front of the Confederate memorial on the state house ground.

However, what disturbs me even more is your expressing this desire on national TV for all the country to see vs within the confines of the state legislature, who as our representatives will have to deal with the issue.

As a South Carolinian you have embarrassed me beyond what words can express.

 <MSG>

Hi.

My name is Jose [REDACTED], I'm with [REDACTED]

Yesterday, Nikki Haley has come out and said that the Confederate Flag should be removed from Capitol grounds. Today, NASCAR has followed in her footsteps and have stated that "NASCAR supports the position that South Carolina Governor Nikki Haley took on the Confederate Flag on Monday."

We would like an official statement from Ms. Haley, or a representative, on how NASCAR is supporting Haley's decision to remove the flag and put it in a museum. NASCAR is a huge sport in the South, so we would like to know what this endorsement from NASCAR means for Haley's cause and how much it will help.

We would like to publish a story about Haley and NASCAR today, or as soon as possible.

Thank you for your time,

Jose [REDACTED]

If we have to give up our southern pride, there should be a trade off of ugly rap music that includes things like killing our law inforcement. The flag has never encouraged the killing of cops. It's very offensive! They say well " don't listen to it" and I don't. I on the other hand can say "well, don't look at our flag". If it is so offensive then a trade should work! Don't be a chicken!

The confederate harks back to a time when our country was divided and when slavery was active. It is time to stop honoring that dark time in our history and to remove that flag and any traces of it from our daily lives. The history books will make references to it, and they should as it is part of our past, but to display that in today's world is a bitter reminder to a very bad time in our country.

It is clear you do not know your history. The Confederate Flag is not a symbol of racism or slavery. The Civil War was not about slavery.

Under the circumstances you have made it clear to the American People your true intentions.

I just wanted to add my voice to the request to remove the confederate flag and place it in a museum where it belongs. It is part of all of our histories as US citizens but it does represent the past and not the future. I know that a voice in Oregon will not make much of a difference but just to let you know that people everywhere care about your beautiful state and how it is represented.

 <MSG>

Dear Governor Haley:

What an inspiring pleasure it was to watch you and the people of the State of South Carolina lead the country in such a positive way. I have watched with despair as President Obama, his wife and former Attorney General Holder have taken the low road with issues involving race. They had such an opportunity to take the country in a productive direction, but instead have chosen to be divisive and create more friction between the races over the past six and one half years.

Your speech yesterday made me proud to be an American. You have reacted so well to recent matters in your state, leading South Carolina so positively. Yesterday, you took time to identify concerns of both sides regarding the Confederate Flag. You made convincing arguments for each group. I truly was on the edge of my seat waiting to see what position you were going take! By recognizing the good aspects of the flag supporters' beliefs, you allowed them to "save face" and come away feeling good. I also liked the way you explained it was a decision for the State of South Carolina to make, supporting the right of states to run themselves.

While Missouri and Maryland have rioted, South Carolina took the high road. Thank you for taking the lead on the so volatile issue of race. By yours and South Carolina's reaction to the terrible murders, I think you may have just prevented wide-spread rioting across the country this summer. I only wish the press would pay more attention to the issue of the way South Carolinians came together than focusing on the removal of the flag.

We Americans are all indebted to you. Thank you.

Bob [REDACTED]

Thank you, Governor Haley, for considering removing the Confederate Battle Flag from official public display in South Carolina. I am a Southerner, of entirely Southern ancestry, and my great-grandfather fought in the Civil War, but the Confederate Battle Flag fulfilled its purpose at that time and has now become a visual dog whistle. Thank you.

Hello Governor Haley.

I am writing to commend you on the effort you are championing to remove the flag from state grounds- an act long overdue- but we will take it.

You understand the outrage the majority of the nation feels about how long, how very long it has taken for the residents of the south, to understand the inherent ugly message behind it.

The effort you, and the supporting people of the legislature are making to BEGIN the process of healing this country so desperately needs. Thank you. And let the journey toward a true healing from the very deep wound of racist hatred and oppression. May you be made stronger, knowing- your country and your state, are standing shoulder to shoulder with you. You have my greatest respect and appreciation.

I am proud of my Confederate heritage. Everyone born in the South should be. Fighting for states' rights was definitely worth the battle. I'm sorry the Northerners joined with the Muslims to import slaves from Africa to work on Southern plantations. But I understand -- there really WAS a lot of cotton to pick! Shame on the Northerners for THEIR ROLE in the entire slave trade business.! It's about time we got history right in this country. Keep the Confederate flag!!!!

Madam Governor, as a proud black woman, you have disrespected my family's ancestors. Not all black people want the flag down. You have caved to political pressure and have embarrassed yourself to SC citizens and female minorities. Myself, and my large family have promised to never vote for you again, on any level.

Bravo to Governor Nikki Haley for doing the right thing rather than the political thing!!! Because of South Carolina's enduring perception of endorsing the hatred inherent behind the confederate flag, and the bigotry and racism it symbolizes. I've wanted nothing to do with South Carolina. avoiding vacationing there or working there. But her actions today have changed my mind. America needs more politicians republican or democrat with her courage and ethics.

Someone in our choir last night announced Governor Haley's proposal to take down the confederate flag. Governor Haley received an heartfelt applause. Today I listened to Governor Haley's announcement. The speech gave me hope that we can make a change and that we can make a difference. It was a courageous act by Governor Haley during a time when politicians are afraid to do what is right because it will cost them their office. Bless you for doing the right thing.

I am a Northerner...I have never seen the Confederate Flag as racial. It is as part of our counties history....proud Southern people, who fought for what they thought was right. The fact the a young man saw it as racial is NO reason to take it down. This is YOUR heritage! If it comes down, it will be changing history, and not for the good. In a few generations, all that was fought for will be forgotten. I beg you, think about this long and hard.

Thank you for your time.

The fact is that you are going against the people that voted for you in the election. Choosing to go against those people with your decision to take down the Confederate Flag. Because of your stance on this matter you will not be getting my vote in the next election. I am also sure you have lost a lot more votes then just mine. So you should not get to comfortable in the governors house. Have a nice day.

I am writing to ask that you vote to remove the Confederate flag from all government spaces. Even though many of my ancestors were southerners, (one died on the 2nd CSS Hunley trial in Charleston harbor) I believe that the time has come to put this symbol aside for the sake of all of our residents. Our government must be for all of us, not just the white majority. Please, please, please take it off government property.

Dear Governor Haley,

When I sent this email to you last Thursday evening and visited the SC statehouse lawn on Friday, I never thought that a few days later you would be making a powerful plea to the legislators to remove the battle flag. Thank you for taking this stand and I'm cheering you on to take it down!

Thank you again.

Jayne [REDACTED]

"Dear Governor Haley,

I am a citizen of the neighboring state of North Carolina and like so many, have been deeply impacted by the murders at Emanuel AME church. When a group of black people, gathered for Bible study, gets gunned down by a white man in one of the most historically prominent freedom-fighting black churches in the nation, you have chosen to instruct that the US and SC state flags at fly half-mast for 9 days. However, the flag of the Confederacy remains flying at high staff. Thus, my question... how is this possible? It is a shameful and extraordinarily disrespectful statement about the overwhelming privilege of those of us who are white.

One of the victims who was gunned down, honorably served your state, in that statehouse. You have made an unconscionable choice to allow the flag that represents our nation's history of the hate that killed him to fly at full staff.

I respectfully request that you think long and hard about the message you are sending in this choice. I also ask you to reconsider your decision to allow it to fly - at all - but at the very least, put it at half-mast during this time of mourning.

Sincerely,
Jayne [REDACTED]

Governor, let me say that I and my family voted for you.
 I'm from Pennsylvania, my feeling towards the confederate flag is
 That of a "Yankee", but after the way you handled the situation, it terrifies
 Me to think you might have a tough decision dealing with real issues, like nuclear
 Weapons ect, if you think removing the flag will fix it all, then we made a mistake
 Thinking you could handle the job. Our devotion to not support you in the next election is an easy one
 Now. Thank you for your service, thank you for showing me what the Haley administration
 Is about before we helped you run for president, I'm part of the silent majority
 That will not support you, making decisions for citizens out of shame, poss pc? ldk
 Our decision has little to do with a flag and everything to do with watching you cave to a lone terrorist.
 After Obama traded prisoners, you cave to domestic terrorist. Once again, thank you JG

We are long overdue for getting rid of the confederate flag. The suggestion to put it in a museum is much too kind - burned or buried would be more appropriate.

While you're at it, what about mandatory background checks for all guns at all points of sale, something that 90% of Americans want? And just for fun, let's remove the words "under God" from the Pledge of Allegiance - it was not in the original, and for many years we did just fine without it. The author's own daughter objected to this insertion, but religious conservatives have no shame.

What we need in this country is science and secular humanism - two things that really do make the world a better place to live.

Governor – congratulations on your efforts to remove the Confederate flag from the state house grounds. It is unfortunate that it had to be accomplished under these circumstances. Below is an article from the front page of today's Washington Post.

Governor Haley. It seems now that everyone has rights but Christians. We are rising up to say that we will fight back for what is Godly and just. Marriage is between a man and woman and no matter what the Supreme Court states--it cannot change God's law. I am sick of all the bigotry and hatred in this country. I am angered that any group regardless of race or creed is starting to infringe on all our freedoms of speech, life, and liberty. Today it is the Confederate Flag, tomorrow what shall it be? They will never be happy until this country is destroyed. I was very deeply hurt by the shootings in the church in Charleston but the focus of this great loss of individual lives has been diminished by the President and his minions over things that needed to be debated later such as the flag and guns. Where was the true focus on the people who loved God and how their relatives forgave? That's the true spirit of America and not the hate-baiters and rebel rousers. We are surely coming quickly apart as a country and we have a President who would love to see us come under Martial Law and his rule---not the rule of the Constitution and what it means. When judges start ruling along so-called politically correct lines and not strict interpretation of the Constitution, we are in trouble. I pray God will forgive us for our immortality, our slap in the Almighty's face, the murder of babies by abortion, and for all the horrible things we have done in this country. May He up Above have mercy on America and all those who love religious freedom. It may not be politically correct to stand up for God and religious liberty, but there are many of us who will. Will you?

Please call legislature back to take the vote and get confederate flag off our public property before 4th of July, the symbolism of having it down by American independence day would mean a lot to us and the country. The time is now!

Message:

Dear Governor Nikki Haley

I support you're decision to remove the Southern battle flag from the state house grounds in hopes that the act will somehow ease the grief of the Families of the Nine victims of the Charleston AME Church Masseur. However Mass shootings have occurred time and again with serious action never really taken anywhere in the United States to resolve that situation!

All Mass shootings I know of is directly linked to mental illness.

Question, why are there no laws to prevent ownership or availability of firearms where a mentally ill person lives or can get their hands on firearms?

Such laws should include any Psychiatrists treating people with the type mental illness that would make them prone to such actions should be required by law to advise local Law enforcement.

I feel the slaughter would be stopped and the above should take care of at least 95% of the problem.

I admire and support You're leadership!

Respectfully

Howard R [REDACTED]

To finished: A black man from the sun is saving the whole planet from imminent doom. So leaving that Confederate flag up would not only help to secure that this Symbol of Caucasin American society stands for that no matter how horrible the others were treated by our hands. Not a single one of us Caucasins can or could ever accomplish the fete of Lucifer and save earth when it most counts. We only as caucasins looked @ other cultures skin tones & style of dress to assess judgment upon them. We thought our way was the most superior and now as of June 3, 1001 2e see that we were wrong & thus we must have some sort of recognizable symbol to remind us that We should have never taken slaves of darker decent for we knew Lucifer was among that group & like Sodom & Gomorrah which located in Hade/Egypt can be destroyed by him. Keep the flag flying high its apart of our heritage/history for ever. No need to run. You caucasins cant stop solar flares, you just look @ them with satelites & study them. LOL

Does this madness stop?! Perhaps you need to have your staff research the meaning of the Crescent on our SC State Flag. It is the symbol of the "Knights of the Golden Circle" a pro slavery Order influenced by Albert Pike the Oracle of Broad Street! It was placed there is defiance of the Union force! Therefore I treasure the SC flag because of its defiance

Of the Northern Aggressor! O by the way, tell Little Joe Reilly to divest his life of all association with the full import of the Hiburians Order. I voted for you because I felt that you shot strait and didn't manipulate issues for your political gain. Boy was I wrong! I am very, very disappointed with you! Shame on you! Dear Governor Haley.

I am writing to you to extend my gratitude and admiration for the urgent stance you have taken regarding removal of the confederate flag from the grounds of your state Capitol. It is a powerful gesture of solidarity with the victims' families and to all the many of our neighbors who happen to be black and have suffered from systems or attitudes that are stacked against them because of that happenstance.

Removal of that banner will also be a powerful gesture to those who continue to harbor racial hatred, letting them know that it will not be tolerated.

I pray for all of our communities to reflect the love and generosity of the Families of the Nine, and removal of the flag will inspire many who thought they were powerless to contribute to that cause to take a stand for building communities of tolerance and inclusiveness.

Sincerely,
Cheryl [REDACTED]

Thank you for doing the right thing in this matter, and because we believe you have done the right thing, it is also our persuasion that no weapon that might be formed against you shall prosper, and every tongue that rises up against you shall be condemned. This is the heritage of those who love the Lord, based on scripture, and it is evident that you do.

Ms. Haley,

True, you're not really a southerner so you have no appreciation of South Carolina heritage. However your call to bring down the Confederate flag, at the Confederate memorial is a huge slap in the face to myself and others that voted for you. I realize, as a politician, you must bow and grovel to this states black population and of course political correctness wins out every time.

You have no guts or backbone. And you'll won't receive my vote again.

It is so refreshing to see a politician who will do the right thing even if it might be bad politically. I hope your leadership on the flag issue helps to boost your brand as a worthwhile, determined Governor and a person who puts doing right above popular sentiment. This would be easy to do in my state, but in South Carolina, it takes courage and a strong will! I hope this is a first step in a series of changes in your state and in the south. I had no reason to believe anything good would ever happen there. You have shown me that my pessimism was too rigid. Congratulations, best wishes, and thanks!

You have shown the world that you want to be the one that paves the way to remove the confederate flag, get rid of monuments, and in other words erase all of our southern heritage that we hold so dear to our hearts. PLEASE RESPECT EACH AND EVERY PERSON IN SOUTH CAROLINA AND LET US VOTE TO DECIDE WHETHER OR NOT WE SHOULD START DOWN THIS PATH OF DESTROYING OUR HISTORY. From the time that you got up and made your speech, there has been a constant attack on Southern history. You are the one who has started this uproar. If you can't give South Carolina the honor and right to vote on this issue, then you need to resign!!! I was one of the people who voted for you and now you are making me regret my decision. Please take everyones outlook on this under consideration and LET THE PEOPLE DECIDE!! LET US VOTE!!!!!!!!!!!! END OF STORY!!!

With the Confederate flag gone, everything is fair game. What do you propose to do with those who are desecrating our South Carolina historical monuments? The vandals are actually the ones who are racist haters. You said there are no winners or losers in the situation we find ourselves. It appears that there ARE losers now that our monuments are being attacked. Hopefully examples will be made of those who are doing these deeds. If not curtailed in Charleston, this will be allowed to spread through the state.

<MSG>

It is with a saddened heart that I write to you today. During the past few days, our state has been in the national spotlight...due to negative actions taken by a single disturbed man. However, the lives that were lost are sadly not the focus of our states leaders. The "leaders" are much more concerned with the flags that resemble our states foundation and where it's displayed. While this may be something that needs to be discussed...how much time, money and effort are being put towards this single issue?

Is there no one within our state who is concerned for our law enforcement agencies, salaries and the constant and rapidly declining workforce numbers? In SC alone, there have been 56 SC State troopers who have left the agency within the past 6 months? Is this not concerning to our states leaders? Is it not pitiful that our SC state troopers are the LOWEST paid law enforcement officers? No matter how many graduating classes are offered...if you're unable to KEEP the officers you have trained...you're just waiting the states money. There are no incentives to keep troopers on the force. Salary begins at \$31,500, you're issued patrol cars with well over 80,000 miles, equipment that doesn't work properly, uniforms that must be dry cleaned with no reimbursement...shall I continue?

To work as a SC Stste Trooper...truly has to be a calling...when all other factors are clearly not in your favor. I the last few Graduations I've attended at the Criminal Justice Academy, you voiced how committed you were to supporting the SCHP agency. While that sounds good, what exactly are you committed to do to help the agency? Most days, there are only 1 trooper working two counties. How is this safe? How does this help our citizens and our state?

If we continue to lose 56 troopers every 6 months...the entire agency will be depleted within 6 years. What are you doing to change and improve our states safety? How will you speak to the reason we can't protect our state...because we are so grossly short staffed?

It makes me so saddened to see my husband love his job so much...that it hurts. eventhough. he can't even "patrol" because he's going from wreck to wreck his entire shift working two counties. There is NOTHING being done to help keep these dedicated troopers onboard. They can switch to city or county agencies and make more \$\$\$. It doesn't make sense to me at all!

Now with today's changing image of police officers...it's impossible to find other who WANT to join the agency.

I write to you today...with only one request. Please review the SC State Trooper workforce numbers, salary and vehicles. Which urgent topics do you feel are a better use of our states resources...law enforcement...or what flag flies beside monument? I pray your eyes are opened to the real threat our state is facing. If not, you may be able to add law enforcement to your resume soon because you're not going to have any officers to protect our state.

You can kiss your job goodbye! I think your decision is a career ender. I'll bet you have offended a lot more people than you think you did. For many that flag is about southern pride and represents more than you think it does. I think the people will vote you out. You'll never be president of the united states now. I think you just lost the southern vote.

although that Dylan Storm Root has caused such a ruckus in your state. Stealing away heritage & history for all Americans is not the way to go. Yes for blacks that flag means horror. We gotta learned to live with that horror and adjust. Running scared like our caucasin counter-parts isnt healthy for the future generations to come. Also it takes away from the short history this nation has. So what some whites bought some blacks tried to lower their self worth & fast forward to today. i man from the Sun is saving earth from immenitedoom caused by caucasins whom cant reverse what they caused

If you REALLY want to end racism in your state government abolish the State's Legislative Black caucus Today.. Then the Black Pride Organization. South Carolina Alliance of black educators. South Carolina Black Service. Black Cowboy Festival. and the black history month. Otherwise you are just playing one side of the racism coin. Which will NEVER, EVER work to stop racism..... That makes you a racism fool by removing a flag..

You know if you and the rest of the government don't start standing up for the white people's rights we are not going to have any. Ever since Obama has been in office the racism has gotten worse because he makes all kind of racial speeches at the all BLACK schools. Where are the all white schools? I'm not a racist but it is time for ya'll to stop being scared of the blacks and stop giving into everything they start protesting for. I am really disappointed in the way you are handling this. I have lived in s.c. all of my 63 years but I'm about ready to move else where. You are supposed to stand up for all south carolinians not just the blacks. Thank you.

Dear Governor Haley,

When I sent this email to you last Thursday evening and visited the SC statehouse lawn on Friday, I never thought that a few days later you would be making a powerful plea to the legislators to remove the battle flag. Thank you for taking this stand and I'm cheering you on to take it down!

Thank you again.
Jayne [REDACTED]

"Dear Governor Haley,

I am a citizen of the neighboring state of North Carolina and like so many, have been deeply impacted by the murders at Emanuel AME church. When a group of black people, gathered for Bible study, gets gunned down by a white man in one of the most historically prominent freedom-fighting black churches in the nation, you have chosen to instruct that the US and SC state flags at fly half-mast for 9 days. However, the flag of the Confederacy remains flying at high staff. Thus, my question... how is this possible? It is a shameful and extraordinarily disrespectful statement about the overwhelming privilege of those of us who are white.

One of the victims who was gunned down, honorably served your state, in that statehouse. You have made an unconscionable choice to allow the flag that represents our nation's history of the hate that killed him to fly at full staff.

I respectfully request that you think long and hard about the message you are sending in this choice. I also ask you to reconsider your decision to allow it to fly - at all - but at the very least, put it at half-mast during this time of mourning.

Sincerely,

Jayne [REDACTED]

Dear Governor Haley,

I know you are in favor of removing the confederate flag from the state capital. Consider this though if you will: the young man who committed the atrocity on the church is obviously mentally disturbed. Just because he took a picture with a confederate flag. does that change what the flag stands for in South Carolina? Are you still proud of the heritage of your state? Being a "Conservative" I feel you're being swept up in the "left's" agenda of remaking the United States into something unrecognizable to anyone who cares about this country and how it was founded. What happens if a person with a Bible in his hand goes and shoots someone? Are we going to say that the Bible is now a divisive book that needs to be removed from society? Of course that sounds ridiculous but we are on that path as far as I can see Governor. One mentally ill man (nor the leftist Democrats) should determine for the rest of us what is or is not acceptable in this country. Please do not buy into this hysteria. We are on a scary path that does not lead to anywhere good for us.

Thank you for your time.

 <MSG>

Dear Gov. Haley,

I was deeply disappointed by your statement concerning the removal of the Confederate flag from the state house grounds. Years ago, when the issue of removal of the flag from the capitol first came up, I knew it was only a matter of time before liberals and activists would take the next step. Many South Carolinians in their optimism thought that this would be the end of the matter. Well, finally, you politicians have found the pretext you needed.

This is not an issue of racism. I am a 42-year-old white male who is native to South Carolina. I saw race relations greatly improve during my formative years, only to see that progress jeopardized during the presidency of Barack Obama. Even so, great progress has been made. I know many people who love Tim Scott and would like to see him be the next President. I also understand that even more progress is needed. I hope that in the future, conservative, Bible-believing Christians will provide leadership in this area, as they have not always done so in the past.

However, the sick, twisted individual who committed this massacre at the church in Charleston is not representative of the overwhelming majority of South Carolinians--who are, if I may add, proud of their history and of the Confederate flag, which to them symbolizes the struggle for states' rights and not racism. I know that many of our black brethren may feel otherwise, and this was the reason for the compromise (in the minds of many conservatives) for the removal of the flag from the state house.

To get to the point, your announcement will embitter the very people who elected you, and will not work toward greater racial harmony. Are you doing this for moral or ethical reasons? If so, you are greatly misguided. Are you doing this for economic or political reasons? That would certainly be more typical for a politician.

If a black man goes into a white church and shoots innocent people, are you going to ban Black History Month or MLK day in South Carolina? Where does this end?

DEAR GOV. HALEY.

PLEASE ACCEPT MY MOST SINCERE CONDOLENCES REGARDING THE SENSELESS MURDERS THAT HAPPENED RECENTLY IN THE CHURCH IN CHARLESTON.

MY STATE IS NO STRANGER TO THE ACTS OF A CRAZED KILLER AND KNOW FULL WELL THE RAMIFICATIONS OF A GOVERNOR'S KNEE JERK REACTION BY HASTILY ENACTING A STRICT ANTI-GUN BILL WHICH, HAD IT BEEN LAW AT THE TIME, WOULD NOT HAVE PREVENTED THE NEWTOWN MASSACRE THEN OR NOW.

UNTIL NOW YOU HAVE HAD MY COMPLETE SUPPORT REGARDING YOUR STANCE ON THE 2ND AMENDMENT AND MANY OTHER ISSUES, BUT YOUR RECENT ACTIONS CALLING FOR THE REMOVAL OF THE CONFEDERATE FLAG FROM YOUR CAPITOL BUILDING HAS GIVEN ME SECOND THOUGHTS AS I SEE YOU NOW PANDERING TO THE BLACK COMMUNITY AS IF THE CONFEDERATE FLAG WAS THE REASON FOR THE MURDERS.

MR.ROOF, AS WAS MR.LANZA, WERE BOTH MOTIVATED BY FAR MORE THAN A MERE SYMBOL MADAME GOVERNOR!!

BY ACTIONS LIKE THIS, YOU ARE SAYING THAT THE CONFEDERATE SOLDIERS WHO FOUGHT AND OR DIED FOR HIS BELIEFS ARE NOT AS IMPORTANT AS THE NORTHERN SOLDIERS WHO DID THE SAME.AND BY EXTENSION, THEY ARE NOT AS WORTHY AS THE VETERANS AND FALLEN FROM THE OTHER WARS. THIS COUNTRY HAS FALLEN TO A NEW LOW AND I URGE YOU TO RECONSIDER YOUR POSITION.

THANK YOU

I would like to express that I am totally against your reverse decision to remove the Confederate flag. I would like to remind you that neither the man standing on your right nor the man standing on your left when you announced your reverse decision on removing the flag will be able to re-elect you to your position without the votes of the people whom you are offending. The Confederate flag has a meaning and is very close to many peoples hearts. The people who kill and or use the flag in a hurtful way are mentally ill. I and my Church are devastated by the killings at the Church in Charleston and in no way support killings. The killer is mentally ill and made a choice to kill because of his mental illness not because of the Confederate flag. The Confederate flag in no way should be a benefactor in creating a racial divide among the people. I recently learned that the Confederate army had many black people serve and die in it. Black people these days seem to be using anything they can to make a situation racial and that is creating a racial divide. Slavery ended over 50 years ago and should be considered a part of history. No man in my family ever owned a slave or supported slavery. Black people need to learn they are not going to get their way on everything even if they loot,riot,steal,burn or kill. Nikki you represent all the people in Charleston, not certain groups of people that become violent and cry racism when they do not get their way. I am sure you have heard from the senators and even the president, many of which have not earned much respect from the people lately. I urge you to leave the flag where it is and stand strong on what you first believed (before you reversed your decision for some reason). I am not a racist. I have many black friends. I have a black brother in law that I love dearly. I have been an athlete my whole life and have played with black guys whom I consider are like brothers. Your reversed decision to remove the Confederate flag is just wrong and for the wrong reasons. God Bless and Have A Great Day !!!

YOUR FLAG FLYING OVER THE CAPITOL BUILDING REPRESENTS ALL PEOPLES OF THE SOUTH: THE EVENT OF A LONE SHOOTER SHOULD NOT BE UTILIZED AS SOME RACIST EXCUSE TO REMOVE THE SYMBOL OF THE SOUTHERN CULTURE IN AMERICA. STUPID POLITICIANS OVERREACT DURING TIMES LIKE THIS-MITT ROMNEY CALLS FOR REMOVAL OF FLAG, AND YOU WISH TO FOLLOW SUIT. REMOVE THE CRIMINALS, MURDERERS, DRUG USERS AND THIEVES FROM AMERICA. OVERREACTING? YEP! YOU DO WHEN RUSSIA ATTACKS AMERICA? DEMAND PUTIN REMOVE THE FLAG OF RUSSIA FROM THE KREMLIN? DON'T GIVE IN TO INSANITY. YOU, AND THE CONFEDERATE FLAG, REPRESENT A HUGE MAJORITY OF INTELLIGENT PEOPLES-YOUR OATH TO THOSE PEOPLE IS AN OATH TO ALL SOUTHERN PEOPLES, THEIR IDEALS, HISTORY AND HERITAGE. TOO MANY TIMES, THE NORTH TRIES TO CORRUPT OUT HERITAGE-DO NOT GIVE IN. THANK YOU FOR YOUR TIME AND CONSIDERATION IN THIS MATTER.

Governor Haley... Thanks again for your NEW efforts to remove the Confederate battle flag. It is truly a needed STEP in the right direction. But it needs to be followed up with further corrective actions. AS you might know SC has about 19 hate groups and the US has roughly 784 hate groups per the The Southern Poverty Center and others groups who make efforts to keep the public informed about these things. Getting racial equality should not require the shedding of blood by so many innocent people. So it is important to get the FLAG issue done...and I salute you for your position. But, what is more important is that the SC state have a conversation and ongoing dialogue (given the eyes/focus of the US nation). We need to look at the links of some of the groups that Dylann Roof's manifesto and at these other hate groups (given the ISIS threat as well). I want to ask you to further your effort to remove the flag AND deal with this bigger issue of hate groups and make the effort to energize conversation or actions that are ongoing to counter those THREATS to our state or nation. One example is the Council of Conservative Citizens (mentioned in that manifesto) which promotes White supremacy and also is noted for making contributions to some G.O.P.leaders (read article by MICHAEL WINES and LIZETTE ALVAREZ, JUNE 22, 2015)

Again, I'm asking you to do a courageous follow up to form county or congressional groups within the state and have the lawmaker's involved to have conversation and dialogue within the state. Again, thank you for your first step to do something about this threat of hate groups.

Thanks, Henry [REDACTED]

You are so wrong on your stand dealing with the confederate flag. I do not see it as a symbol of hate. You foreigners come to our state and have absolutely no understanding of our history and heritage or what our wars were fought over. You are taking away from the deaths of the fine people who were murdered in Charleston and focus on eliminating the remembrance of our past. Who are we without history? We are no-one. The flag was removed from our capitol dome and placed in a location of prominence behind our capitol. Most people don't even realize that our capitol faces the south.

As far as business not coming to our state, they are more reluctant to come here because you can't get the roads repaired than they are over our history.

Keep up the fight and you will lose my vote. My church is where the secession papers were signed. I guess we're next on your agenda.

although that Dylan Storm Root has caused such a ruckus in your state. Stealing away heritage & history for all Americans is not the way to go. Yes for blacks that flag means horror. We gotta learned to live with that horror and adjust. Running scared like our caucasin counter-parts isnt healthy for the future generations to come. Also it takes away from the short history this nation has. So what some whites bought some blacks tried to lower their self worth & fast forward to today. i

Dear Gov Haley, my heart goes out to the victims of the church shooting. It brought tears to my eyes listening to their loved one's talking about their loss and what good people they were, it makes me wish I could put my arms around them and comfort them. I wanted to tell you my thoughts concerning the flag in question. If we as a society put our efforts into banning a piece of cloth we are missing the mark. we are not going after the real deep rooted problems which are spiritual problems. Whether the flag comes down or not makes no difference to me. I believe it is a waste of precious time and energy at least at this point in addressing the real problems. What will it take to bring us all together? God said we are created in His image and that we are ALL created equal. Maybe the bible back in class rooms? Isn't it something...we remove the word of God from schools but allow it in our prison's. When will we turn to God for answers such as these instead of relying on ourselves...we know that's not working. Thank you. we all have a lot of work ahead of us...and for you Gov I pray for strength, wisdom and boldness in your's and South Carolina's day's ahead! 2 Chronicles 7:14 and My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways. then I will hear from heaven, will forgive their sin. and will heal their land. God bless you. South Carolina and this nation!

It cannot have failed to dawn on you that blacks and muslims are people who whine and complain endlessly. that they are uber sensitive in the extreme and have a goal of changing the USA into a country that caters to them and becomes a place where whites bow down to them. I'm not talking about all blacks. for there are some who know the difference between right and wrong, who can think logically and support our Constitution.

Blacks have been bitching about the Confederate Flag since the Civil War ended. They don't care that it was a source of pride and was historically important for many Southerners. they wanted it gone and refused to live and let live. You've given them a inch and they'll now be wanting a mile. They'll never be satisfied until they have oppressed America's white people. most completely here in the South.

Those murders in that church were committed by a man who is mentally ill. So what if he didn't like black people that didn't make his actions racism. Many of us no longer like blacks after decades of watching them kill, maim, loot, riot and destroy and get away with it. Instead of this crime causing some positive actions, such as better mental health services for those who are unstable, to name one, blacks are jumping up and down and crying racism and others are jumping on the gun control bandwagon. Now we have blacks who will be demanding more and more without end and the Muslims, watching this will start doing the same. You have opened a can of worms by giving in to the blacks who have discovered all they have to do is cry racism or riot and loot to get their way.

I did admire you because you appeared to be a leader who could think logically and do what was right and good. However, I see you take the easier way out, that you are willing to placate blacks.

PRESS RELEASE PRESS RELEASE

Date: June 29, 2015

From: Vice-Chairman, Fairfield County Council, Kamau Marcharia
Board of Trustees, Fairfield County School District, Annie McDaniel
Mayor, Town of Jenkinsville, Gregrey Ginyard, Sr.

Re: Resolution Supporting Governor Haley's Plan to Remove Confederate Flag

On Thursday, June 25, 2015, representatives from the Fairfield County Council, Fairfield County School Board, and the Town of Jenkinsville came together to endorse the following resolution:

"We the undersigned join together to express our condolences to the Emanuel AME Church and the families of the slain martyrs in last week's tragic massacre in Charleston, South Carolina. Now is a time for healing and unity. In that light, we support Governor Haley and her plan to remove the Confederate flag from the grounds of the Statehouse."

In the week since last Wednesday's shootings, leaders from western Fairfield County - Board Member McDaniel, May Ginyard, and Councilman Marcharia - have heard from citizens from across Fairfield County. "We have witnessed folks coming together from all walks of life - showing unity like never before... in support of their brothers and sisters down in Charleston," shares Annie McDaniel, District #4 Member of the Fairfield School District Board of Trustees. McDaniel stated that she has been impressed with the out-pouring of love and

forgiveness shown by the families of the slain and people of all races across South Carolina supporting them. "We owe it to the slain to come together and act... now."

Kamau Marcharia is the Vice-Chair of the Fairfield County Council (District #4). On Wednesday of this week, he spoke at a Prayer Vigil held at Fortune Springs Park in downtown Winnsboro. In his remarks, he challenged a diverse crowd of 100 to do more than unite in sorrow: "Let us roll up our sleeves and take steps to deal with the root cause which led to the recent shooting – racism." The crowd was silent as Councilman Marcharia then read the names of the slain: "Today we come to honor the memory of Tywanza Sanders, Cynthia Hurd, Susie Jackson, Ethel Lee Lance, Rev. Sharonda Coleman-Singleton, Rev. Depayne Middleton-Doctor, Myra Thompson Rev. Daniel L. Simmons Sr., and the Honorable Senator Clementa C. Pinckney. But let not their deaths be in vain. I urge each of you to come together, roll up our sleeves, and let us work together to change our communities."

Jenkinsville Mayor Gregrey Ginyard applauded Charleston Mayor Joe Riley and his immediate reaction last week – labeling the Charleston massacre as a Hate Crime. Mayor Ginyard grew up in Jenkinsville and has lived in this predominately African-American town all his life. His Jenkinsville citizens have asked him "...how can we fly the same flag the killer used last week... right in the path of the casket of one of the victims [Senator Clementa Pinckney] on the way to lie in state?" Ginyard stated "Councilman Marcharia, Board Member McDaniel, and I are asking our legislators to support Governor Haley to eliminate that which divides us... permanently remove the Confederate Flag from the statehouse grounds immediately."

Copies of this resolution are being sent to members of the General Assembly and the Governor.

Governor Haley. It seems now that everyone has rights but Christians. We are rising up to say that we will fight back for what is Godly and just. Marriage is between a man and woman and no matter what the Supreme Court states--it cannot change God's law. I am sick of all the bigotry and hatred in this country. I am angered that any group regardless of race or creed is starting to infringe on all our freedoms of speech, life, and liberty. Today it is the Confederate Flag. tomorrow what shall it be? They will never be happy until this country is destroyed. I was very deeply hurt by the shootings in the church in Charleston but the focus of this great loss of individual lives has been diminished by the President and his minions over things that needed to be debated later such as the flag and guns. Where was the true focus on the people who loved God and how their relatives forgave? That's the true spirit of America and not the hate-baiters and rebel rousers. We are surely coming quickly apart as a country and we have a President who would love to see us come under Martial Law and his rule---not the rule of the Constitution and what it means. When judges start ruling along so-called politically correct lines and not strict interpretation of the Constitution, we are in trouble. I pray God will forgive us for our immortality, our slap in the Almighty's face, the murder of babies by abortion, and for all the horrible things we have done in this country. May He up Above have mercy on America and all those who love religious freedom. It may not be politically correct to stand up for God and religious liberty, but there are many of us who will. Will you? Mrs. Jo Ann [REDACTED]

Dear Governor Nikki Haley

I support you're decision to remove the Southern battle flag from the state house grounds in hopes that the act will somehow ease the grief of the Families of the Nine victims of the Charleston AME Church Masseur. However Mass shootings have occurred time and again with serious action never really taken anywhere in the United States to resolve that situation!

All Mass shootings I know of is directly linked to mental illness.

Question, why are there no laws to prevent ownership or availability of firearms where a mentally ill person lives or can get their hands on firearms?

Such laws should include any Psychiatrists treating people with the type mental illness that would make them prone to such actions should be required by law to advise local Law enforcement.

I feel the slaughter would be stopped and the above should take care of at least 95% of the problem.

I admire and support You're leadership!

Respectfully

Howard R. [REDACTED]

Thank you South Carolina, for showing the nation how to live-----your example is a model for us all---God bless you in these very dark days.

We all can learn incredible life lessons from watching the behaviors of your fine people this week. Thank you for modeling the good, true and just life for the rest of us.

I am a Caucasian (white) male 24yrs of age. I am very upset the shooting that happened in Charleston but that flag has nothing to do with the shooting. flags dont kill people its people that do. I am a Christian. I love everyone. But that flag is part of our history. So I do believe that we need to look at the bigger picture here. Thank you for your time.

I'll start off by saying, I'm sure you could care less what I have to say since I am not from SC, but here goes anyway.

I have always so admired you, but have lost a lot of respect since you decided to take down the Confederate flag.

Quite frankly, I don't have any great feelings about the flag one way or another. This is about apparently being politically correct or whatever.

I certainly didn't know, and wish someone could enlighten me, as to what the confederate flag had to do with the murder of 9 people in a church. I had no idea a flag could murder someone and here I thought it was Dylann Roof that murdered those poor people.

Apparently, it's okay to desecrate the American flag and no one does anything about it. But all of a sudden we have to take the confederate flag down because it offends certain people. I'm offended that it's been taken down for this reason.

Being politically correct is leading to the downfall of this great nation of ours and I think these two words along with racist should be banned. Free speech has gone out the window along with our constitution. I'm really tired of everyone kowtowing to the left

As a citizen of South Carolina and Columbia I do not support removal of the Confederate Flag as it is presented on the State House grounds. didn't we go through this a few years ago. but still not satisfied. Seems to me that this action was decided by the Liberal Press. not the people of South Carolina. I lived in Charleston for the past 30 years but returned to Columbia. and am aware of the tragic happenings there. I on occasion met some of the people involved as victims the shooting. The people of Charleston are a special breed. black and white, I know from working in a hospital there. The current poll. as I read it, states 70 percent of the citizens of South Carolina want the flag to stay. I did vote for you!

It is with a saddened heart that I write to you today. During the past few days, our state has been in the national spotlight...due to negative actions taken by a single disturbed man. However, the lives that were lost are sadly not the focus of our states leaders. The "leaders" are much more concerned with the flags that resemble our states foundation and where it's displayed. While this may be something that needs to be discussed...how much time, money and effort are being put towards this single issue?

Is there no one within our state who is concerned for our law enforcement agencies, salaries and the constant and rapidly declining workforce numbers? In SC alone, there have been 56 SC State troopers who have left the agency within the past 6 months? Is this not concerning to our states leaders? Is it not pitiful that our SC state troopers are the LOWEST paid law enforcement officers? No matter how many graduating classes are offered...if you're unable to KEEP the officers you have trained...you're just waiting the states money. There are no incentives to keep troopers on the force. Salary begins at \$31,500, you're issued patrol cars with well over 80,000 miles, equipment that doesn't work properly, uniforms that must be dry cleaned with no reimbursement...shall I continue?

To work as a SC Stste Trooper...truly has to be a calling...when all other factors are clearly not in your favor. I the last few Graduations I've attended at the Criminal Justice Academy, you voiced how committed you were to supporting the SCHP agency. While that sounds good, what exactly are you committed to do to help the agency? Most days, there are only 1 trooper working two counties. How is this safe? How does this help our citizens and our state?

If we continue to lose 56 troopers every 6 months...the entire agency will be depleted within 6 years. What are you doing to change and improve our states safety? How will you speak to the reason we can't protect our state...because we are so grossly short staffed?

It makes me so saddened to see my husband love his job so much...that it hurts. eventhough, he can't even "patrol" because he's going from wreck to wreck his entire shift working two counties. There is NOTHING being done to help keep these dedicated troopers onboard. They can switch to city or county agencies and make more \$\$\$. It doesn't make sense to me at all!

Now with today's changing image of police officers...it's impossible to find other who WANT to join the agency.

I write to you today...with only one request. Please review the SC State Trooper workforce numbers, salary and vehicles. Which urgent topics do you feel are a better use of our states resources...law enforcement...or what flag flies beside monument? I pray your eyes are opened to the real threat our state is facing. If not, you may be able to add law enforcement to your resume soon because you're not going to have any officers to protect our state.

<SUBJECT>Six hundred thousand people died in the American Civil War. more than half under the Confederate Battle Flag. Leave the flag at the South Carolina Capitol...</SUBJECT>

<MSG>

Was the American flag banned from a Capital building after General Benedict Arnold betrayed the Continental Army of General George Washington and many people died as a result, far more than the nine who died in a black church at the hand of a psychotic gunman. Blaming a flag of honor over those who lost their lives in a war for the actions of a psychotic is psychotic. Most of my ancestors have served and fought in the US Military, the US Army, the US Navy and their wives have been members of the National Society of the Daughters of the American Revolution. But one ancestor fought under the Confederate flag of America: Charles Roberts who founded the M&M Banks of Mississippi in the 1800's. After the American Civil War ended, Charles Roberts walked to Ohio to borrow money from his wife's relatives to start the banks. He walked to Ohio in a Confederate uniform, the only clothing he had to wear. He was not attacked for being a Confederate soldier who lost a war under the Confederate battle flag you want to ban. He was respected. The war was terrible but the Confederate battle flag is not a symbol of cowardice and psychosis like you want to make it, as a symbol of a psychotic killer when it is a banner of honor of those who fought and many died in the American Civil War. Don't cheapen that by making it a symbol of a psychotic boy.
