Yup. He got them Friday night (you were cc'ed on the e-mails--did you get them?). He left me no messages over the weekend. We'll touch base today.

You, Marcia, and the rest of the guys did outstanding work at Park Street last week on this issue. Kudos.

I gave Marcia a copy of the proposed proviso amendment to 36.7 for you to send to Phillip with the narrative and the spreadsheet. Did you send this to Phillip? It was my understanding from the phone conversation Friday, that he wanted both.
