Nikki Haley on WJR-AM - Detroit, MI
03/25/2015 01:26:31

... reflects our planet or will roll again we're still dealing with their fire and roosevelt which is less than pleased the west and nikki haley r sat down to use caution is making the rounds that there was concern smith what sony down with the north and south are nice to be back from end tend to like 37b that the lead plaintiff calls which were also weave together with a 12 mile rolled them to self allies of the valve ...
