Subject: PEBA Question & Meeting Request

Ted,  
Dwight Drake and I represent Humana on a non-legislative matter concerning Medicare Advantage. We are looking to have PEBA explore the advantages to the state of having retirees enrolled in a Medicare Advantage plan instead of tradition Medicare with a Medicare Supplement. We have been in communication with staff at PEBA, staff in various legislative offices and several PEBA board members. Since this does involve PEBA and the Governor makes three of the appointments to PEBA, we would like to set up a time to meet with appropriate staff in the Governor's office to brief them on this matter. We don't want the Governor being caught off guard if PEBA begins to look at this issue. I assume other than you the appropriate individual would be Christian Soura. Our client from Humana is Bob Walt and he is available almost anytime the month of September for this briefing. Could you check schedules and let me know of availability for such a meeting?

Thanks,

Harry
