**Subject:** Shocking story just sent to me !State promotion is a scam in the 21st century and internet!

<https://www.mackinac.org/tourism-promotion-study-criticism-absurd-ironic>

I will call this organization to reveal more on how not just our state tax dollars are wasted , but also stolen by the chambers CVBS DMOs. This is a state and City Dmo problem. Imagine just the 3 tourism cities in SC with crooked Chamber Cvb employees who have seized control of the chambers with buddy boards , no fair elections , making 400k salaries , 1.7 million home for the crook on Hilton head. They all refuse audits , Foia laws , non profit corporation act laws to hide their theft. Once a forensic audit is complete, I predict prison for some , just like happen with the Palm beach Cvb. Thanks

Also the fraud being committed by the national associations. I Will also share how IRS ubit is being violated.

The hundreds of millions of theft in America must end !

Sent from my iPhone excuse all typos and misspellings
