Happy New Year!

Been out on leave, so I apologize for just responding now! Do you recall if this think tank testified at our latest hearing? I scanned through the testimony but didn't see any names that seemed similar.

Not sure if this helps any but here are all the parties that testified during our hearings at one time or another:

- *Luke Martel*, Group Director-Employment, Labor and Retirement Program, National Conference of State Legislatures (NCSL)
- *Donald Boyd*, Director of Fiscal Studies, The Rockefeller Institute of Government, The Public Policy Research Arm of the State University of New York
- *David Draine*, Senior Officer, The PEW Charitable Trusts, Public Sector Retirement Systems
- *Carlton Washington*, President, South Carolina State Employees Association, Carlton Washington, President
- *Jarrod Bruder*, Executive Director, South Carolina Sheriff's Association & Joe Palmer, Executive Director of the SC State Firefighters Association--representing the South Carolina Public Safety Coalition
- *Wayne Bell*, President, State Retirees Association of South Carolina
- *Marcia S. Adams*, Executive Director, South Carolina Department of Administration
- *Neville Kenning*, President, Kenning Consulting, Inc.
- *Emily E. Heatwole*, Director of Communications & Governmental Affairs, South Carolina Department of Education
- *Rebecca Rochester*, President--South Carolina Education Association-Retired & *Jervais Jackson*, Teacher, Jackson Creek Elementary School (Richland Two)
- *Scott Price*, Executive Director, South Carolina School Boards Association
- *Dr. Quincie Moore*, Superintendent Cherokee County Schools, South Carolina Association of School Administrators
- *Mellanie Jinnette*, Chief Financial Officer Chester County School District, South Carolina Association of School Business Officials
- *Craig Q. King*, Director of Governmental Affairs, Palmetto State Teachers' Association

Please let me know if I can do some more digging!

Thanks very much. Erlinda, I'd appreciate any help. I know you heard from several think tank types. I hope you had a wonderful Christmas.

Hey, Danny! That does not ring a bell right off, but Erlinda Doherty is staffing the second phase of pension reform, so I am copying her on this, as she will be able to help you with contact information for the group you wish to reach.

Lisa, I hope all is well and that you're getting ready to take some time off. BIPEC has asked the LG to visit with one of the groups who presented to the Joint Committee, and I was going to go back and look at their testimony, but I can't recall their name. I think starts with an "F", something like Franklin. Does that ring a bell, and if so, then could you tell when they testified? Thanks a lot
