Dear Ford,

Thanks for your email – we will have representation from TCS, Tata Communication and Tata Chemicals, apart from Tata Sons.

I will shortly confirm the names of the people who would join. We have requested the respective CEOs to join and are awaiting their confirmations – in case they are traveling, they would nominate their number twos.

Arjun

Arjun,

Thanks again for setting all of this up.

We are in the process of finalizing the Governor's briefing book which we hope to print by COB EST today (as she departs for India on Tuesday). She likes to be as prepared as possible. Do you have any additional details regarding who will be joining us for lunch in Mumbai?

Look forward to hearing from you.

Arjun,

I wanted to follow up again about the companies and attendees that will be coming. Do you have any insight? There were a few Tata Group companies that we were hoping to meet with while in India. We weren't sure before setting an individual appointment if they'd be attending the luncheon and we may be able to talk with them there.

Participants on our end will be:  
Governor Nikki Randhawa Haley  
W. Michael Haley, First Gentleman  
Katherine Veldran, Assistant to the Governor  
W. Ford Graham, Director of International Investment, SC Department of Commerce  
Morgan Crapps, Project Manager – Global Business Development, SC Department of Commerce

Thank you again for your help with this event – we're really looking forward to it.

Dear Morgan,

We can have the lunch meeting at the Chairman's conference room at Bombay House (catered to by Taj Mahal Hotel), or we can do it at the Taj Mahal Hotel too  
It is about 20-25 minutes away from the ITC.

So the timings could be:

- Leave ITC at 11:20am
- Reach Bombay House at 11:50am
- Start meeting at 12:00 noon
- Lunch served at 12:20pm
- Meeting over lunch till 1:30pm
- Leave for airport at 1:30pm
- Arrive at airport at 2:30pm in time for 3:55 pm flight to Chennai

If we do it at the Taj, then just add 10 minutes to the above timelines, which also works fine.

Hope this is fine.

Regards,  
Arjun

Her flight will be going from Bombay to Chennai. Would this be the Taj Palace or Taj Lands End?

Dear Morgan,

Just to be sure, her flight at 3:55pm is back to the US or a domestic flight to Delhi/Chandigarh?

We can host her for lunch at Taj Mahal Hotel from 12:15pm to 1:30pm, post which she can leave and be at the domestic airport by 2:30pm.

Arjun,

This is great news – thank you for passing along.

Governor Haley will be able to leave an event at the ITC Grand Central hotel by 11:20. Her flight leaves from BOM at 3:55pm. Where will the luncheon take place? We have tentatively blocked for this meeting the entire period of time between 11:20 and her flight's departure at 3:55, so we will defer to your advice on timing!

Thank you again for your assistance and for this exciting opportunity.

Dear Morgan,

Thank you for sharing this information. We will share it with our JLR colleagues for

their reference and evaluation.

We would also like to confirm the luncheon meeting with Governor Haley on the 20th of November.

Could you please once again let us know the time that we can do this. I remember her being at the ITC hotel for a previous meeting and then having to catch an early evening flight out of Mumbai.

Can we keep it for 1pm in that case?

Regards,

Arjun

Madhu and Arjun,

I hope you're both doing well. As promised, I wanted to follow up from our conversation in Mumbai with some additional information about the automotive industry and site availability in South Carolina. I'm attaching a PDF to this email - you can find a high-resolution version at this link: <https://www.dropbox.com/s/ce3bu4utmznroj/South%20Carolina%20Automotive%20Proposal%20-%20High%20Res.pdf?dl=0>. Please feel free to share this link and presentation with your team.

I'm looking forward to seeing you both again in November with Governor Haley! She is very excited about the luncheon, and we're all delighted by this growing relationship with Tata Sons. Please let Ford or myself know if you have any questions about any of this information.

Thank you,

Morgan
