David,

Hope all is well. GPB was appreciative of you & Gov. Haley including him on the letter to Chairman Wheeler.

I've got a small request here. My roommate in Jackson is a native of Bishopville, SC. He has a younger brother, Creighton Segars who just completed his first year at USC law in Columbia. He did his undergrad at Clemson. He has a sincere interest in working in state government in SC. His resume is attached. Can you forward to the person who handles legal internships in your office and at the legislature? I've had the opportunity to know Creighton the past few years. He is a highly intelligent, hardworking, and humble young man. He has the ability to grasp complex issues and is someone that would work hard for Gov. Haley and her legal/policy teams. Very much appreciate your help. Let me know if I can ever help with anything.

Best,

Bobby
