[Nikki Haley on WBTW \(CBS\) - Myrtle Beach, SC](#)

03/21/2015 08:34:27

News 13 Saturday Morning (News)

... groups oppose vaccination... and it's more important to protect the greater whole. more states want to dump their nuclear waste in south carolina. but governor nikki haley said..."not so fast." by state law, a landfill in barnwell county can accept only low-level radioactive materials from south carolina and two other states. barnwell county is on the georgia border. some lawmakers say opening the site to other states will bring more jobs and ...
