It's likely worth getting Joe's input in advance of your June 20th visit, if time permits. Ideally, Megan Golden from NYU would be included in that call/meeting, since she's been so involved in the research and analysis here. Thanks again.

Christian and John,

How would you like me to respond to Joe? I am happy to meet with him if you want me to.

Jeff

Hi Jeff,

Hope you're well. Christian told me that you are planning to be in South Carolina on June 17th and 18th.

I would like to make sure that you are fully briefed on the work that we have done in South Carolina and make sure we are on the same page for how best to use this work as you move forward. Unfortunately, I am going to Social Impact Exchange, which starts on the 18th, but if you are planning to get to SC early enough on the 17th, could I pick you up from the airport and take you to dinner? Otherwise, if you are going to be in New York for any part of SIE, we could meet on the side of that, or, finally, I could come to Boston on the evening of the 20th and meet with you on the 21st.

Please let me know what might work for you. I look forward to bringing you up to speed on the exciting work we have underway.

Thank you—

Joe
