Subject: Monitors - Interim Relief Agreement

Holly, Susan asked that I look into the monitors working on the Interim Relief Agreement. Is their salary/rate covered in the Agreement? I'm assuming I would have to sole source their services, but don't know if I need to set up individual contracts with each of them or just one through some central oversight/vender. Do you know?

Susan is at Connie Maxwell this afternoon and at a county visit tomorrow. Should we set up meeting with Joan, Taron and Sowell Gray over what the staff response has been like in other states?

Call me if you want, Barbara
