Subject: FW: No Cost Extension request for SC Transitioning AAA's to ADRC's Award #90DR003404

Lori-

We are in receipt of Karen Molina's request to submit our no-cost extension for the Options Counseling grant through Grants Solutions. While would like to honor your request, we have been unable to locate the document in the Grant Solutions system. Please advise how to best address this issue.

As you are aware, per our conversation, time is of the essence. The success of VDHCBs in SC is contingent upon the approval for this Options Counseling grant extension, as we discussed in Washington last month. We are respectfully requesting ACL's consideration to waiver the LGOA from the submission via Grant Solutions.

If you are unable to grant this waiver, we would request the delay in submission not be considered a penalty in the review and approval process. With our staffing changes we will need to request a new login/user ID for Shannon Lindsay and are concerned this may delay the approval process.

If you have any questions, please feel free to contact me. We appreciate your understanding and consideration-

Thank you for your time and continued partnership-

Tony Kester
