One of our favorite views in all of #SCStateParks! It's a gorgeous day at Lake Jocassee.

Peter Bendal Kear Too bad on weekends during the summer folks are turned away if they did not get there early. I thought it was a beautiful park but I was taken aback by the crowd and lucky we got there when we did as they were putting up full signs as we left.

Wendy Glace Doss Getting a camping reservation is difficult. They require a four night stay and the rates are 40 per night on weekends when working families are off and can actually stay overnight. Not sure why it is this way for this particular park.
