Subject: Interview request

Good afternoon,

I imagine everyone there is still trying to hold their eyes open after the wild week Matthew brought. Certainly the case with our news team.

Wanted to see if I could get a time with the governor to discuss evacuation vs re-entry protocol and what worked or didn't in those terms with Matthew. I'm particularly interested in Beaufort County.

I will be out of town this coming Sunday-Thursday but can make any other day/time work. I'm personally located on Hilton Head and wondered if she had plans to come this way. If not, I'd be happy to come to Columbia. Let me know what works. Thanks.
