Marcia, we informed the District Managers about this today. We gave them a draft of the procedural memorandum to review. We instructed them we would forward the pro. memo by Friday. I think we should be able to implement this with very few problems if any. We will continue to work with the District Managers to get this info out.

Annie,

Have we sent out a procedural memorandum? Wanda, does the field understand what we need to do to clear the suspensions? I know that we probably won't need to clear any until next month, but we need to be ready.

Ladies and Gentlmen,

1) Just wanted to send a reminder that Monday (October 1, 2001) will see the change in reinstatement fees for the County Property Tax (Failure to pay) change.

Vehicles - Currently No reinstatement fee - \$50.00
Driver - currently \$100.00 reinstatement fee - \$50.00.

If there is reason to delay these changes please let me know ASAP! You will be contacted again today for some "Quick" testing of the reinstatement fee collection programs.

2) There is still some question about the "grace" period. At this time DA and I are working under the previously agreed upon 13 day grace period. (suspension to begin on the 13th day). If this is not the case, you must notify me prior to October 20th. After that day it will become nearly impossible to distinguish between a non-renewal and a suspension.
