Dear Friends,

Thank you for subscribing to my weekly e-newsletter, and please remember to follow me on [Facebook](#), [Twitter](#), [Instagram](#) and [YouTube](#).

Supporting Gold Star Families

Last week, I voted for the [Gold Star Families Act](#). The bill is an amendment to the Veterans' Oral History Project Act, and will facilitate the collection of video and audio recordings of biographical histories by immediate family members of service members who died as a result of their service during a period of war.

I am eternally grateful for our brave service members who gave it their all on the battlefield, and paid the ultimate sacrifice so we can live in a safer and more secure country. Their stories should be told and preserved, so future generations can learn about their heroic and remarkable stories that

have helped to write our history.

Thank you to all service members and their families for their sacrifice.

SC Students Come to DC

I got the chance to talk with Armstrong Elementary School students from Greenville last Wednesday before they began their [Capitol tour](#). Talking with them brightened my day and fortified my belief that our best days are ahead of us.

Careers in the Trump Administration

Recently, President Elect Trump began the hiring process for his administration. If you are interested in a career in the new administration, please visit the [President Elect's site](#) and follow the steps outlined to apply.

Sincerely,
Tim
