Tony, I have someone at the Board looking into this and hope to get an answer back soon, just wanted you to be aware that the deduction will come out of the next check, I'm trying to see how we can avoid any double payment and will let you know what I find out. Thank you.

We transmit a file to SCEIS nightly so any deduction should come out of the next check. I know the senate does a deduction for the entire year I think at the end of Dec., if they took out for the year he would be due a refund for July forward. I am not sure how SCIES and the Senate handle these situations. You may want to check with SCEIS to be sure on both of these. Sorry not much help on this 1
