Maria- As of right now the gardens are closed until the end of April due to COVID-19. If you are interested in taking photos in May I would give us a call at the end of April to check on the status of the gardens. The gardens are open complimentary during the weekday from 9 am to 5 pm. On the weekends you would be required to schedule an appointment and the fee would be \$300 for three hours of access to the house and gardens for photos.
