

Dear Governor Haley, Hi! My name is Dallas Straun, and I am 20 years old, from Myrtle Beach. I wanted to write to tell you just how incredible of a job you have done here in South Carolina, I have been so proud to call you our governor. 2015 was such a challenging year in South Carolina and I was so proud of the way you handled the Charleston shooting and then helping all of the families that were hurt by the flooding and disastrous weather we received last year. I think you did a remarkable job of stepping up to the podium quickly and sending assistance across the country. Luckily my family was not hurt by the weather but I did have friends in Columbia at the time. This has been a year full of trying times for our nation and in South Carolina but I agree with you whole heartedly that everyday is a great day in South Carolina. I'm so proud to call it my home! I was extremely happy when you supported Marco Rubio this year, I ended up casting my ballot for him because of your endorsement. Although it appears now he won't be our President, I was very happy with my vote! I was at the cancelled Pawleys Island rally when you had plane troubles, and I was so impressed with you and Marco for coming back at 10pm to see us! I was able to meet you very briefly a few years ago when I was at a Tom Rice campaign event, I was hoping to speak to you again, but the crowd was too large! I had Marco sign my photo that I brought with me, would you mind adding your autograph to it and signing the photo of us from a long time ago? 😊 It would mean the world to me and I would deeply appreciate it. Thank you so much for taking the time to read my note. Keep fighting and working hard for all of us in South Carolina.

♡ All My Very Best Wishes To You & Yours

Dallas C. Straun
