I'm just wondering with the new mask thing. And so I understand better... we have rented a cabin at a state park. Do we have to wear mask in the cabin we rented??

You do not have to wear a mask in or on any facility that you have rented such as a cabin, campsite, shelter or group facility. The individual renting the site shall make the decisions for social distancing and mask wearing for the users of the facility.

Who is over the goose chase scavenger hunt? I have a few questions. What I want to know is who verifies the pictures? I've noticed some that are posting random things and getting points for them. What the mission of the state park goose chase??

The mission is for people to explore parks and see places they have never seen or interact with people they may not otherwise interact with. Are you in the Ultimate Outsider version or the regular version.

Yes we have been to 32 parks so far, we also love geocaching at SP. we recently joined the goose chase and are going back to parks we've already visited! We love South Carolina state parks!! We visited Goodale yesterday it's been our saddest park so far. It's like a little gem stone forgotten. On our ride home we talked about that beautiful place and how lost it seemed. The ranger was very nice. My children and I even talked about doing a mission to try to help bring this little park more lively hood! Mainly to revamp their playground. Although Covid has hurt our state parks, and playgrounds are closed. We love visiting!!
