ED's is more common than everyone knows but doctors lack the education.

We have been through this and nobody would listen to the truth. The truth came from CEDSA's chairman Eugene Wison and World Reknown specialist on infantile rickets and vitamin D deficient, Dr. Holick. I just do not know how this keeps happening to innocent families. I am so sorry.

This is horrific. To have the baby taken away because the doctors ignored their concerns is grounds for a malpractice suit, as well as a suit against DSS, I should think.
