RE: Invitation to Present

Dear Lt. Governor Bryant:

The Lower Savannah Council of Governments is celebrating its 50th Anniversary this December 11, 2017 in Aiken. The Lower Savannah COG is a quasi-governmental agency made up of local elected officials representing the six county region. The COG provides numerous services to local governments in the region, among them are the aging services that we administer through your Office on Aging.

Our 50th Anniversary Banquet is being held at the Aiken Electrical Cooperative building and begins at 6:00 pm with heavy hors d'oeuvres, presentations begin at 7:00 pm. The Chairman, Board and I are requesting that you be our featured speaker of the evening. We are expecting over 200 elected officials and business people to attend and would greatly appreciate your attendance and presentation that night. Please contact me with any questions you or your staff may have.

Sincerely,

William Molnar, Ph.D.
Executive Director
