Mr. Varat,

Here is the updated list for the subscriptions. All of them are good to go now except for the Aiken Standard....there is a website issue with that one on their end. The Wall Street Journal will start being delivered on Saturday. Since we had a subscription with The State already, I have to work out getting the paper also delivered. I was on the phone with them for a while today and got cut off and then was on hold for a while and got cut off again. I will get that straightened out with them in the morning. But at least everything else is set up for now. The Beaufort Gazette and the Hilton Head Island: the Island Packet can be retrieved under either website. Let me know if you have any questions.
