**Tammy Oates Welch** Dan Steadman Sr. Our first visit to Oconee SP was amazing!! We had the absolute best time there!! I sincerely hope your stay at Oconee SP is better than our 2nd visit was. Neighbor did not see the necessity to keep his German Shepherd on a leash or any type of restraint for that matter. Long story short the dog attacked another dog. People on golf carts spot lighting other campers, yelling and playing loud music after quiet time, close to midnight. It was awful.
