## DocuSign from your mobile device

Have you ever needed to sign something on the go? DocuSign's mobile app is a great way to sign documents with just a few taps on your phone or tablet.

Other benefits of the mobile app:

- Drag & drop signature, initials, or other fields
- Check in on the status of your documents in real-time
- Void documents quickly and easily

GET THE FREE MOBILE APP

Download the mobile app today to get started. Simply log into the mobile app with the same email and password you use online to access all of your account information. Available on iOS, Android, and Windows.

Sincerely,

P.S. Know someone who should be using DocuSign? Refer them today and get a \$20 Amazon gift card!
