[Nikki Haley on WJBF \(ABC\) - Augusta, GA](#)

01/09/2015 05:11:05

Good Morning Augusta (News)

... will leave the department of health and environmental control this coming monday. she was appointed after governor nikki haley was elected in 20-10. templeton says she promised the governor four years of public service and has fulfilled that promise. "she indicated she would like to still be involved in public service, and one would assume from that, and i have not conversed with her, that this may, she may ...
