The Honorable Nikki R. Haley
Office of the Governor

Columbia, South Carolina 29201

Dear Honorable Nikki R. Haley,

I, My name is Genesis Fripp. I am a student at Right Choice School. This school is about giving students a second chance to get their education instead of getting expelled. I am a student in Elijah Heyward's class, and we are learning about congress people. He also asked us to write a letter to a person in the Government and I chose you. I would greatly appreciate it if you can write me back and send a picture. I'm so thankful to have you as our Governor of South Carolina.

Respectfully,
