Subject: Fwd: Newly passed proviso re: special needs education

Attachments: [letter to Leigh LeMoine, Governor's office.pub](#)

Hello, I hope your summer is going well. Attached is a request for Gov. Haley to visit a school that specializes in Exceptional needs children. See you soon

Sincerely,
Kevin

Subject: Newly passed proviso re: special needs education

To: kevin@kevinbryant.com

Senator Bryant,

It was very nice to meet you at the Wednesday meeting concerning the recently passed proviso for students with special needs.

In addition to working at Camperdown Academy, I am a parent of a child who will benefit from this legislation. My son received "social promotions" for years in his public school because they could not meet his educational needs. We are blessed to have found Camperdown Academy, but the tuition costs are overwhelming and my husband is working multiple jobs to try and make sure our son has the services he needs.

I am personally grateful to you for your work in passing this proviso, and I will work very hard to support your efforts and make this program a success for all involved.

To that end, I have attached a short letter that was given to Leigh LeMoine regarding a request for the Governor to stop by Camperdown when she is in the Upstate.

Leigh and I have also communicated via email on this subject, and I know that Representative Wendy Nanney has contacted her on our behalf as well.

I am hoping that the media event we are trying to organize will serve as a vehicle to get Upstate politicians into our school so that we can highlight both the need for, and the success rate of, making specialized services available and affordable for our learning disabled children.

Any help you can offer in working with the Governor's office to get us on their schedule would be enormously beneficial. If you are aware of any other stakeholders that might also assist in this effort, please let me know and I will make contact with them.

Many thanks for everything you have done and are doing...

Allison Rogers
