days and counting until our 2018 Banquet for Life! Our committee is a credible group of people who have worked to see that every aspect of planning provides you with an opportunity to witness our ministry of LIFE. From the table placements to the client testimony, everything has been reviewed over and planned carefully.

We want to thank the TD Center for allowing us to grow this event! As many of you know, our generous sponsors gave so that we could add more tables to the room. We maxed out at 176 tables. But our needs were still great to accommodate our guest. So the TD Center came up with a great solution that has allowed us to add an extra seat to 90 tables.

Now it's time for you to get your table number! We have been able to seat almost half of our waiting list and anticipate seating the rest. If you have any changes or cancellations call Wendy or any staff member at our office at 244-1434 or email [banquet@piedmontwomenscenter.org](mailto:banquet@piedmontwomenscenter.org).

We are thrilled beyond measure how God has shown us such great favor and your presence of you, as a host, will see new faces at your table. Welcome them to our banquet!

Please arrive and check in with one of our friendly volunteers who are walking around with Ipads and wearing "check in with me" badges. They can remember your table number but this is also the way we know you joined us for the banquet!

For those friends and family who can not join us please share that we will be live streaming our event starting at 6:30 pm EST.

Pray for Pam Tebow as she arrives Thursday afternoon. Pray for a beautiful evening. But most of all pray that God has the glory in all that is said and done that evening. We can't wait to greet you Thursday night. The ballroom doors open at 6:00. The program starts promptly at 6:45. Come with great expectations!

The Staff of Piedmont Women's Center
