Thanks, Kim. How are the agency meetings going? When can we expect a final estimated fiscal impact?

Holly,

Some guidance as you review:

Treat the Temps as non-exempt. Since they seem to be part-time, I imagine overtime shouldn't be a big issue. The FTEs are unclassified because the Governor's staff are exempt from the state class/comp system. ALL employees are exempt from the State Grievance Act.

If you want to get together to discuss we can. Because folks are unclassified I would need some help understanding what they do before offering advice.
