Hello! Thanks for offering the 12 Days of Deals. A question... If I already have a park pass, but on the appropriate day I spend \$50 at the State House to get a free pass, can I use that to extend my current pass by a year? Or will the pass i get effectively be a new pass good through December of next year? Thanks!

All passes distributed at the State House will be pre-punched for a December 2022 expiration.

Hello! Thank you for offering those of us who were at the State House earlier another possibility to get the Passport deal. We were there just before 10 this morning, but the passes were quickly gone before we could enter. We did have a good time learning more about the State House while we were there, though. We left and continued on with our day. I just saw the message you posted about contacting you if we were unable to return in time to figure something out. We could return to the State House some time this coming week if possible. Just let us know what we should do. Thank you again.

You can spend \$50 in our online store at [www.SCParkStore.com](http://www.SCParkStore.com) and get a free passport. You must put the passport in your cart along with \$50 worth of merchandise. Upon checkout put in the code DPG9X and it should remove the \$99 for the passport. You have until 4:00 Sunday, Dec 12 to order. Please do not share this code. This is only for people who came to the State House today.
