Subject: I really need your help, Katherine

Katherine,

I'm running for re-election because I know the work in Washington is not complete.

But in order to stay fighting for our shared values, [I need your help](#) .

When you speak truth to power, you become a target. And I have been targeted by the Democrats and the liberal media.

My least favorite part of being a Congressman is having to ask for help. I know how hard you work for your paycheck, and I want you to know not a penny goes wasted on my campaign. I run a tight ship, monitor costs closely, and have great people helping me.

But, Katherine, the reality is this: Democrats have targeted me for defeat. They would love to see me lose, and will stop at nothing to make sure that happens.

Katherine, I need your support today to make sure they lose and we win. We have just over 100 days until Election Day. Your financial donation today will ensure we have the funds to fight back and WIN.

[If I can count on you will you let me know?](#) Katherine, I hope you will consider making a donation online right now. Anything will help.

This campaign is not going to be easy. The Democrats in Washington are going to work around the clock to see me defeated.

Your donation today will ensure we have the resources to fight back and run a winning campaign.

I have heard from so many likeminded conservative friends who have encouraged me in this campaign. It's wonderful and great news so many of you are ready to fight for our principles.

The massive Democrat political machine will do whatever it takes to make sure I am defeated in November. We need to run a strong campaign to fight back and your donation today will ensure that is possible.

Thank you for your support for both my campaign and our country.

Sincerely,

Trey Gowdy
South Carolina 4th District

P.S. I've developed a reputation for holding people accountable, and you can bet that when I win re-election I will continue to do just that. But, Katherine, there are many who would love to see me leave Washington and quit holding people - our LEADERS - accountable. I need your help right now to ensure I am able to run a winning campaign. Will you show your support and stand with me by making a donation right now?
