H.4703—Delleney—Immunity from Prosecution—Judiciary (1.20.2016)

- Entitles a defendant to an evidentiary hearing on a pretrial motion to dismiss an indictment or information by making a prima facie showing of the justifiable use of deadly force.
- At the hearing, the State bears the burden of proof, by a preponderance of the evidence, that the defendant's use of deadly force was not lawful.
- *Committee Report*: favorable (2.03.2016)
- Passed House 106-0 (2.04.2016)
- *Fiscal Impact*: no fiscal impact statement associated with this legislation.
