Subject: Free Clinic Awareness Day

Hi Katherine!

Do you have any idea when we might know if the Governor will be Proclaiming May 22nd as SC Free Clinic Awareness Day?

We are sending out a press release next week, and we'd love to include it!

Also, we will have tables set up in the 1st floor lobby of the State House from 10:00am - 2:00pm on May 22nd. If the Governor could walk through and have her picture made with the Executive Director of the Free Clinic Association, Amanda Berrier, we would be so very grateful.

Thank you!

Vicki
