Ben,

At this time we are not going to cap meals. We will ask for justifications for increases for next year.

Tony,

Good afternoon- Hope your week is going well.

We're developing our RFP materials for services in the upcoming program year. We had discussed in the past, the possibility of capping the cost of the meals.

Have you decided to move in that direction? If so, I would like to request the amount, so I can include that as part of our Request for Proposal process.

Thanks,

Ben
