Hey Katherine,

Doing well and hope you are, too!

See attached doc - Is this better? I lightened up the Seal Image by about half – let me know if I need to readjust.

I didn't make any other changes, but have two suggestions below for consideration. Apart from that, I think it looks great!

On page 3 – do you think it might be good to say that facsimiles and email submissions will not be accepted?

On page 5, first Q&A – “...nominators are encouraged to submit other letters of recommendation from individuals that can attest to...” change to “...nominators are encouraged to submit other letters of recommendation from individuals who can attest to...”

Thanks!

Justin
