Ms. Hopkins, thank y'all too for having us. We really enjoyed the conversation, and I have someone looking at the DSS-4K classroom issue. We'll get back to you as soon as possible. Please enjoy your break. Y'all have earned it.

Thank you so much for taking time out of your schedule to visit with District leadership yesterday. I was sincerely impressed with how much time you shared with us, your intent listening, and knowledgeable responses.

I believe South Carolina has the potential to be a world leader in education and hope that we'll seize the moment to make that happen.

Again, many thanks,

Ginger Hopkins
