Mr. Cox called the meeting to order and then asked Judge Ervin to be the moderator.

Judge Ervin asked Mrs. Norma Burns to present her final site recommendation. Her recommendation included development of the western and eastern portions of the Courthouse square. A copy of this recommendation is on file in the Clerk to Council's office. Any decision on a site is contingent on the City of Anderson providing parking for the project. The two Councils discussed an agreement to provide either 180 new parking spaces for the project or to provide \$300,000 to the county for parking. All City Councilmembers present promised to provide the \$300,000 for parking over the next two years. Since the City Council was not in formal session no vote was taken. If the City decides to provide the 180 spaces, they must be approved by the Planner. The County Council assured the City Council that the Courthouse site will be downtown.

Council adjourned at 7:25 p.m.

Respectfully submitted,

*Linda*
