I was misinformed regarding choosing a Medicaid plan.

Fee-for-Service Medicaid is what I want.

On the managed Care Organization Plan I have problems getting my medications and seeing a doctor.

I go to Spartanburg Area Mental Health Ctr. -

There is no contract between SAMHC and managed Care Organization. Therefore my plan will not pay for my mental health services like when I had

Regular Fee-for-Service Medicaid.

I didn't have to pay high prices for medications with regular Medicaid but now my medication cost a lot of money. Because MCO won't pay -

The Managed Care Plan won't let me change back to Fee-for-Service because it's been over 90 days that

they enrolled me in Blue Choice Health Plan of SC.

These MCO's are misleading people by telling us that they are the same as Medicaid. They are NOT!

Please look into the operations of MCO's.
and please help me change back to Fee-for-Service Medicaid.

Thank you -
Sharon Bell
