Subject: Following Up

Christian and Rachel,

I just wanted to say a quick, belated "thanks" for the time you both took to meet with Oran and me.

Sounds like there is some positive movement on the K-3 reading/ending social promotion bill – we look forward to serving as a resource on this or any other policy in any way possible. And we should have a Medicaid piece out in the very near future.

Also, still do want to convene an informal education reform working group in the coming weeks – will stay in touch with follow-up on that.

Call or email anytime!

Best,

E
