Dear Governor Niki Haley:

I was glad you were re-elected
last Nov. 2014 and not the Democrat
who would of messed up South Carolina
for good. I voted for you.

I heard something & read about it and
wondered about something you said —
about Same Sex Marriage.

"It went something like this:
"If the Supreme Court votes "yes" for
Same Sex marriage and it's the Law
you would obey the Law, as people
will have to."

That bothered me because the Bible
says it's wrong — So Same Sex Marriage
is wrong.

When will Our Politicians Stop telling
us people what they think we want
to hear and take a Stand.

Judges are not the Law of the Land,
Our Constitution is. It seems a
small minority can walk all over
the majority for election votes.

Also I am an Independent Voter and
will not vote for a GOP Establishment
Candidate. They usually lose or hurt
a good Candidate. I am a nice lady
and love my State & Country.

Thank you for listening. MRS. Elizabeth Creager
