Could we get a picture of her working on the speech, or in meetings today ---something that shows her before she airs nationally?

Thanks,  
Sharranda

Sharranda,

The governor won't be doing any interviews or media availabilities ahead of her address on Tuesday. I have included a link to the governor discussing her speech last week during a media availability: <https://www.youtube.com/watch?v=IOD90igBQT4&feature=youtu.be>

Please let us know if there anything else we can help you with.

Thanks,

Chaney

Hi Chaney,

Would the Governor be available for a quick interview today, previewing her SOTS Response?

We're just looking to get her on camera talking about a few of the points she's likely to hit on, also about her having been selected to deliver the speech.

Please let me know if this is possible, when you get a minute.

Thanks,  
Sharranda
